Missouri AHEC Science and Health Camp - M*A*S*H Camps

MAY 18TH 2015 BY DEE LOFLIN

Missouri AHEC Science and Health Camp - M*A*S*H Camps

2015 M*A*S*H CAMPS **Missouri AHEC Science & Health Camp for** **Middle School & High School Students**

ATTENTION ALL MIDDLE SCHOOL & HIGH SCHOOL STUDENTS! Have you ever wondered... What is it like to perform surgery? Work in the ER? Have a career in health care? Stop wondering! Register now for the 2015 Missouri AHEC Science & Health (M*A*S*H) Camps! Learn about science in the field of medicine, nursing, dentistry, and other health care occupations. Participate in hands-on learning activities that include: vital signs, CPR, first aid, suturing, injections, dissections labs, oral health, and more! And YES... have FUN too!

M*A*S*H Camp is a summer day camp held at various locations throughout the area. The following camps will be held this summer:

2015 Middle School M*A*S*H Camps

June 19 – Puxico Junior High School, Puxico, MO

June 30 - East Carter County Middle School, Ellsinore, MO

July 14 - Butler County 4-H Club, Poplar Bluff, MO

2015 High School M*A*S*H Camps

June 2-3 - South Pemiscot High School, Steele, MO

July 30-31 – Sikeston Career & Technology Center, Sikeston, MO

August 6-7 – TRC Nursing & Allied Health Center, Poplar Bluff, MO

All students must complete an application in advance and submit it by the appropriate deadline. The cost of attending a 1 day camp is \$10.00 and a 2 day camp is \$20.00. Payment should be in the form of a check or money order made payable to SEMO AHEC and submitted with an application. Applications will be accepted on a first come, first serve basis and participants accepted will be notified by email.

Information and applications can be obtained by visiting www.semoahec.org/mashcamp or by email from Racheal Baker, SEMO AHEC Program Specialist, at racheal@semoahec.org. Early response is highly encouraged, as capacity is limited for these events.

M*A*S*H* Camp is a collaborative effort of community partners including: the Southeastern Missouri Area Health Education Center (SEMO AHEC), South Pemiscot High School, Puxico Junior High School, East Carter Middle School, Sikeston Career & Technology Center, and Three Rivers College of Nursing & Allied Health. The mission of all academic and community partners in this unique learning opportunity is to provide early exposure and academic enrichment to students who are interested in becoming health care professionals in the Southeastern Missouri region.

American Flags Fly at Half Staff on Friday

MAY 14TH 2015 BY DEE LOFLIN

American Flags Fly at Half Staff on Friday

By Presidential Proclamation

Peace Officers Memorial Day and Police Week 2015

Each May, our Nation salutes the American women and men who put their lives on the line every day to maintain public safety and hold accountable those who break the law. On Peace Officers Memorial Day and during Police Week, we recognize all those who have dedicated their lives to this vital task. With heavy hearts, we mourn the heroes taken from us only because they chose to serve, and we rededicate ourselves to carrying forward their noble legacy.

Our law enforcement officers have extraordinarily tough jobs. They regularly work in dangerous environments and in difficult, high-tension situations. And they often face challenges deeply rooted in systemic problems and broader social issues. These professionals serve to protect their communities and strengthen their Nation, and they deserve to go home safely to their loved ones at the end of each shift. As President, I am committed to making sure America's dedicated police officers receive the support and recognition they have earned, and to doing all I can to protect those who protect us.

One important way to make policing safer and more effective is by continuing to enhance relations and trust between law enforcement and the neighborhoods they serve. This will make it easier and safer for police officers to do their jobs,

and it will strengthen the places we live and work. This important task will require our Nation -- our communities, our law enforcement, and our leaders at every level -- to come together to commit to meeting this challenge and moving our country forward, block by block and neighborhood by neighborhood. As President, I firmly believe it is within our power to make progress in our time, and I am dedicated to partnering with all those who are willing to do this necessary work.

My Administration is taking concrete steps to implement the commonsense, pragmatic recommendations my Task Force on 21st Century Policing put forward based on input from law enforcement personnel as well as criminal justice experts, community leaders, and civil liberties advocates. And we are engaging with local jurisdictions so they can begin to make the changes that will help ensure that police officers and their communities are partners in battling crime and that everyone feels safe on and off the job.

Our Nation's police officers are mentors in our schools, familiar faces on the corner, and pillars of our communities. They keep our borders secure and our roads safe, and in times of crisis, they rush toward tragedy. They are hardworking mothers, fathers, daughters, and sons who have dedicated their lives to public service, working every day to build a brighter future for their families and their Nation. Their selfless commitment and daily sacrifice represent what is possible for every city, town, and reservation in America, and our country has an enormous opportunity to lift up the very best law enforcement personnel as examples -- not just to other officers, but to all who aspire to lives of good citizenship. This week and every week, let us remember the patriots who laid down their lives for ours and honor all who strive to make our Nation more safe, more free, and more just.

By a joint resolution approved October 1, 1962, as amended (76 Stat. 676), and by Public Law 103-322, as amended (36 U.S.C. 136-137), the President has been authorized and requested to designate May 15 of each year as "Peace Officers Memorial Day" and the week in which it falls as "Police Week."

NOW, THEREFORE, I, BARACK OBAMA, President of the United States of America, do hereby proclaim May 15, 2015, as Peace Officers Memorial Day and May 10 through May 16, 2015, as Police Week. I call upon all Americans to observe these events with appropriate ceremonies and activities. I also call on the Governors of the United States and its Territories, and appropriate officials of all

units of government, to direct that the flag be flown at half-staff on Peace Officers Memorial Day. **I further encourage all Americans to display the flag at half-staff from their homes and businesses on that day.**

IN WITNESS WHEREOF, I have hereunto set my hand this eighth day of May, in the year of our Lord two thousand fifteen, and of the Independence of the United States of America the two hundred and thirty-ninth.

BARACK OBAMA

Spring Turkey Harvest Up for Fourth Year in a Row

MAY 13TH 2015 BY DEE LOFLIN

[Spring Turkey Harvest Up for Fourth Year in a Row](#)

Top harvest counties during regular season were Franklin with 897, Texas with 858 and Saint Clair with 771.

Jefferson City, Missouri – The Missouri Department of Conservation (MDC) reported that turkey hunters checked 43,991 birds during Missouri's 2015 regular spring turkey season April 20 through May 10. Top harvest counties were Franklin with 897 birds checked, Texas with 858, and Saint Clair with 771. Young turkey hunters ages 6 – 15 years harvested 4,441 birds during the 2015 spring youth season, April 11 and 12, bringing the overall spring 2015 turkey harvest to 48,432.

The 2014 overall spring turkey harvest was 47,605 birds. The 2015 overall spring harvest is the fourth consecutive increase since 2011, when the combined youth and regular season harvest was 42,226. Spring turkey harvest totals by county are available at <http://mdc.mo.gov/node/30565>.

MDC recorded four firearms-related spring turkey hunting incidents during the 2015 regular season and none during the youth weekend. One of the incidents was fatal. Two involved shooters who mistook other hunters for turkeys.

Missouri's turkey harvest continues to be among the highest in the nation. MDC restoration efforts from past decades have taken this popular game bird from the brink of extirpation in the state by the 1950s to an estimated sustainable population of more than 300,000 birds today.

In addition to permit sales revenue, economic estimates show that Missouri turkey hunters spend more than \$125 million each year on travel, food, lodging and hunting equipment, which in turn generates millions in local and state sales tax revenue.

Turkey hunters can commemorate their first harvest by creating an MDC First Turkey certificate suitable for framing at <http://mdc.mo.gov/node/10469>.

Shown in the photo is Tonya Chapman with her first wild turkey kill.

National Day of Prayer in Dexter

MAY 07TH 2015 BY STAFF WRITER

National Day of Prayer in Dexter

Dexter, Missouri - The Dexter Ministerial Alliance was busy today organizing an event for The National Day of Prayer. A large crowd gathered in front of the Dexter Municipal Building for the ceremonies.

It was a beautiful day for the event, that began today 12:15 pm. Today's theme was "Hear The Cry and the Prayer of Your Servant is Praying in Your Presence this Day." 1 Kings 8:28

Pastor Ken Biggs of the First General Baptist Church in Dexter called the meeting to order. He and Pastor David Fowler of Sadlers Chapel United Methodist Church in Dexter

helped to organize and administrate the activities for the meeting.

LaKesha Biggs lead the crowd in the Pledge to the American Flag, followed by a song lead by Pastor Fowler.

The group was then lead in prayer in four (4) areas;

- 1) Prayer of Confession and Repentance; Jerry Corlew
- 2) Prayer for our Elected Officials; Father David Donhogne
- 3) Prayers for those who serve and protect us. (Military, Police and Fire); Pastor Justin Sponaugle
- 4) Prayer for Pastors, Churches, and Families; Pastor Ken Biggs

The group closed the ceremonies by singing together Amazing Grace, lead by Pastor David Fowler.

Squirrel, Black-Bass Season Open Memorial Day Weekend

MAY 07TH 2015 BY DEE LOFLIN

Squirrel, Black-Bass Season Open Memorial Day Weekend

Missouri - Memorial Day weekend brings an extra-special celebration for squirrel hunters and bass anglers in Missouri. According to the Missouri Department of Conservation (MDC), the Saturday of this fourth weekend in May -- May 23 this year -- is when squirrel season opens and when anglers can keep legal-sized bass in most southern Missouri streams.

SQUIRRELS

Hunters can pursue fox and gray squirrels from May 23 through Feb. 15, 2016, with rifles, shotguns, archery equipment, or atlatls. Summer foliage makes rifle shots more difficult than in late fall and winter, when leaves no longer obscure a shooter's view. As a result, shotguns are the preferred method for many hunters during the early part of the season.

Valid permits for squirrel hunting are: Archery Hunting, Daily Small Game, Small Game Hunting and Fishing, and Small Game Hunting.

Hunters with valid permits can also take squirrels with cage-type traps. Traps must be labeled with the hunter's full name and address, or Conservation Number. Squirrel traps must have openings measuring 144 square inches or less, for instance, 12 inches by 12 inches. Hunters must attend their traps daily. The same regulations apply to rabbits and groundhogs during their respective seasons.

The daily limit is 10 with a possession limit of 20. For more information, visit mdc.mo.gov/node/10810.

BASS

The bass catch-and-keep season in most southern Missouri streams applies to largemouth, smallmouth, and spotted/Kentucky bass and runs from May 23 to Feb. 29, 2016. Anglers may catch these species legally all year, anywhere in the state. They may keep legal-sized bass caught from impoundments all year long, statewide.

However, from March 1 through the Friday before the fourth Saturday in May, you may only keep black bass caught in streams if you are:

On the Mississippi River;

North of the south bank of the Missouri River;

In that portion of southeast Missouri south and east of Cape Girardeau following Highways 74 and 25, U.S. Highways 60, 67, and 160 and the west bank of the Little Black River to the Arkansas state line; or

On the St. Francis River downstream from Wappapello Dam.

In the rest of the state, black-bass fishing is catch-and-release only from March 1 through the Friday before the fourth Saturday in May.

In most of the state's waters, the daily limit on black bass is six, with a possession limit of 12. Black bass taken from streams must be at least 12 inches long in most areas. However, many lakes and streams have special length and daily limits. To ensure that you keep only legal bass, you must check for special regulations on the waters you intend to fish. You can find these posted at areas with special regulations, in the 2015 Summary of Missouri Fishing Regulations available where permits are sold, and online at mdc.mo.gov/node/10358.

All anglers must have an appropriate lifetime, annual, or daily fishing permit, or qualify for an exemption. Get more information on fishing permits at mdc.mo.gov/node/5006.
