## **Three Rivers College Honors Top Students at Student Excellence Awards Bloomfield and Dexter Students Receive Awards**

**Poplar Bluff, Missouri** - Three Rivers College recognized over 50 of its highest-performing students at its Annual Student Excellence Awards ceremony on May 8. Winners were chosen to represent each academic department and career education program, the Three Rivers Centers, honor society students, and major student organizations.

“The Student Excellence Awards are a celebration not only of academic success, but of the hard work and commitment of our student body,” said Dr. Wesley Payne, President of Three Rivers College. “The success they’ve achieved is not only an indication of natural ability and talent, but their dedication to putting in the time and doing the work that makes them the standouts of Three Rivers.”

To be eligible to receive an Academic Excellence Award, a student must have completed at least 15 credit hours and have a 3.0 cumulative GPA. Winners from academic and career programs are chosen by that program’s leadership based upon recommendations from individual faculty members. The leadership of each organization selects student organization, Center, and honor society award recipients.
