Kronk-Flowers Place 8th at State Tennis Tournament

JUNE 03RD 2015 BY DEE LOFLIN

Kronk-Flowers Place 8th at State Tennis Tournament

Springfield, Missouri – Dexter’s Ethan Flowers and Noah Kronk finished the best in several years at Dexter High School earning medals for their efforts.

They won their round of 16 match against Osage's Jordan Wilson and Adam Schoening 6-2, 6-4.

They then lost their quarterfinal to Knob Noster's Kyl Zimmerschied and Cole Lankford 6-2, 7-5.

Kronk and Flowers followed with an 8-5 victory over Chillicothe's Garrett Peterson and Steven Ketchmark in the fifth place bracket.

The tennis duo then suffered a loss to Pembroke Hill’s Sam Kramer and Cormac Chester and finally lost to John Burrough’s Ben Remis and Louis Rodgers 6-2, 6-4 on Saturday.

“Ethan has really grown into an outstanding tennis player over the past few year,” commented Dexter head tennis coach Kurt Lovelady. “He has quick hands, is athletic, and has a desire to always be better tan he currently is and he has put in a lot of time at the courts. This season has shown that!”

Flowers will return next season as a senior. As for Noah Kronk he graduated in May at Dexter High School.

“Noah has finished his tennis career at DHS with his best season ever,” continued Lovelady. “His leadership on the court and role he plays for the younger tennis players is something they all look up to. He will be greatly missed next year on the courts!”

Ethan and Noah finish their season with an impressive 17 wins, 6 losses finishing 8th in the state of Missouri in doubles.

Athletes Chosen for Missouri Lions All-Star Football Game

JUNE 02ND 2015 BY DEE LOFLIN

Athletes Chosen for Missouri Lions All-Star Football Game

Warrensburg, Missouri - Are you missing football season? Come cheer on the Blue and Gold football teams as graduating high school seniors play football to raise funds for the Missouri Lions Eye Research Foundation!

Noah Kronk, Dylan Bazarian, and Drake Mitchell of Dexter, Missouri were selected to play on the Lions All-Star Football Team

The 39th Annual Missouri Lions All-Star Football Game will be played at the University of Central Missouri (UCM) Campus, Warrensburg, MO on Saturday, July 18th. The game features outstanding 2015 graduated high school football players from around the state to play one last game with and against their peers before entering the world of college or other careers.

The game is divided into Blue and Gold Teams. Heading this year's Blue squad will be Coach Mark Barousse from Poplar Bluff High, and the Gold team will be led by Coach Matt Webb from Maryville High School.

The annual event was created in order to benefit the youth of Missouri and to raise funds for the Missouri Lions Eye Research Foundation (MLERF), including Heartland Lions Eye Banks, and has raised over \$200,000 for this statewide Lions project.

The players and coaches will spend the week getting acquainted, learning plays and two-a-day practice sessions, and opportunities to volunteer in the local area.

On Saturday, the pre-game festivities will begin at 6:30 p.m. with kick-off scheduled for 7:00 p.m. at Walton Stadium/Vernon Kennedy Field on the University of Central Missouri (UCM) Campus, Warrensburg, MO.

Game tickets are \$7 in advance (or \$10 at the gate) and are available by contacting me or through the Missouri Lions State Office at (573) 635-1773. Children 5 & under will be free, and Student Tickets (1st grade thru college) will be \$3.00 in advance (\$5.00 at the gate). This year the Missouri Lions State Athletic Committee has once again voted to allow any "youth" football player wearing their jersey, free admission to the game when accompanied by a paid adult.

The Lions of Missouri invite you to come enjoy one of the best High School football games you will ever see.

MaKayla Waldner Earns Medals at State Track Championships

JUNE 01ST 2015 BY DEE LOFLIN

[MaKayla Waldner Earns Medals at State Track Championships](#)

Jefferson City, Missouri - MaKayla Waldner's name is synonymous with athleticism earning her four State Championship Medals at the MSHSAA Class 3 Track and Field Competitions on Saturday. Waldner who just completed her junior year at Dexter High School will be back that's a guarantee for next year.

Waldner took first place in the 300m hurdles winning by nearly a full second. Her time 42.89.

She finished second in the 100m hurdles at 15.44. Constance Jackson of North Technical won in 15.25.

She finished second in the 200 just .72 of a second from the winner. Her time 25.92.

She jumped for 5th place in the long jump at 16 feet, 11.5 inches on her final attempt. This was a sport she did not spend much time practicing as she felt she was more of a runner.

Waldner is not new to the scene at state level competitions. She earned two medals in 2014 in the 100m and 300m hurdles.

Her brother, Trevor Waldner, sent her a text right after the 100m hurdles and told her, "I didn't know we celebrated 2nd place as a family and she better win the 300m hurdles." What brotherly love!! That really put things into perspective for Waldner and she wanted the win.

When asked of MaKayla about her wins over the weekend, "It feels amazing to know that all my hard work as finally paid off. The countless hours I have spent training and preparing for the State Meet really paid off for me. I couldn't thank my mom or coaches enough for it."

"I went into this season with my own goals," continued MaKayla, "And I tackled them every step. I wanted a state championship and I got that. I've just realized if I set out to have a goal nothing is going to stop me except for the excuses I find."

This is Kim Waldner's first year as the head Track and Field Coach for Dexter High School. She just so happens to be MaKayla's mom as well. She is both proud as a coach and as a parent!

"I couldn't have asked for a better weekend for her," stated head track coach and mother, Kim Waldner. "We were both disappointed in her long jump performance, but she said 'oh well maybe next year. I should practice that event.'"

"Kevin Ellis her AAU coach told her that she wouldn't run a 42 in hurdles because the track was wet and rainy," continued Coach Waldner. "She wanted it and went out and got it!"

She single-handedly gave the Dexter Bearcats Track and Field Team a score of 30 points to put the team in sixth place, missing out on a team trophy by just 1 point.

"We didn't realize how close she was to a team trophy," continued Coach Waldner. "I think next year she will go after one."

Way to go MaKayla! The Dexter community is extremely proud of your accomplishments!

Richland Clay Shoot Team Competes Against Dexter PD

MAY 29TH 2015 BY DEE LOFLIN

[Richland Clay Shoot Team Competes Against Dexter PD](#)

Essex, Missouri - Richland High School Clay Shoot Team recently competed against the Dexter Police Department at a competition at the Dexter Shooting Range.

The Richland students participated in the Spring Break 'Em Tournament on April 11th at the Poplar Bluff Gun Club. This was the second meet that the Rebels had competed in and interest in the program is so large that they had to split the team

into A and B squads for the tournament.

“I am very proud of this team,” stated head coach Jarrot Basler. “We have learned and grown vastly together since our first practice in September. With us having all freshmen and sophomore athletes this year will be bringing an even more competitive team for the 2015-2016 school year.”

Josh Shidler finished second overall out of 66 participants while shooting in the Spring Break 'Em Tournament. It was only the second time Shidler had ever competed in a competition.

“Josh picked up a shotgun for the first time in September at our first practice,” said Basler. “He was at the middle to low end of the squad at first. He improved his form and set the goal of being the top shot. Through hard work and determination he saw his goal come to fruition.”

Shown in the photo are front row from left to right: Ben Pearce, Josh Shidler, Megan Cullum, Garet Phillips, and Lane Brown. Back row from left to right are Clayton Harriel, Gerlynn Grossius, Josh Boyet, Shawn Knox, and Luke Rhodes.
