Dexter Police Dept. News Release - Crackdown

Dexter Police Dept. News Release - Crackdown

Dexter, Missouri - Local police will be out in full force as part of the annual nationwide St. Patrick’s Day Holiday “Drive Sober or Get Pulled Over” crackdown on drunk driving. The crackdown, which will include high-visibility enforcement throughout Dexter, will run from March 14-17, 2015.

The effective nationwide drunk driving crackdown will include high-visibility enforcement, high-profile events, and will be supported by national paid advertising, creating a comprehensive campaign to curb drunk driving over the St. Patrick's Day holiday.

Dexter Police Department said its Officer's will be aggressively looking for drunk drivers during the crackdown and will arrest anyone caught driving drunk.

Although it is illegal in all 50 States, the District of Columbia and Puerto Rico to drive drunk (having a blood alcohol concentration of .08 or higher), far too many people across the nation get behind the wheel after consuming too much alcohol. The latest statistics from the National Highway Traffic Safety Administration underscore the serious nature of the nation's continuing drunk driving epidemic.

Business Leaders Provide Students Real World Budget Lesson

Poplar Bluff, Missouri - On Wednesday, Feb. 4, in E.T. Peters Gym, Ozark Federal Credit Union hosted a Reality Fair, its third budget-planning event involving Poplar Bluff Schools, with the participation of 280 high school seniors along with 38 local businesses and organizations.

Students each received a unique packet stating their occupation, salary, debt history, marital status and whether or not they had children. Then they were assigned to visit with real industry professionals to purchase necessities such as a mock house, transportation, furniture, clothing and food. The object was to attempt to keep within budget in a workbook.

Sponsored by the Missouri Credit Union Association in partnership with the Missouri Council for Economic Education, the Ozark Federal Credit Union Reality Fair has become the largest in the state, according to Davine Conover, business development specialist. The Ozark FCU is a certified community development financial institution under the U.S. Department of Treasury, teaching financial literacy in a six-county region, including Butler.
