Dexter Bearcat D Club Thanks Community

Dexter, Missouri - Wow!!! What a community we live in! We want to give a huge shout out to all those that helped get the fence painted from Grant St. South to the field house.

It was an awesome group from the Dexter Bearcat Football boys along with the Coaching staff; to Dexter schools staff Scott Kruse, Amy Miller Simmons, Starla Pulley, Amber Nea.....To DHS volleyballer Addie Kruse....School Board member Mark Nea..to all the incredible parents, Kenny Rinehart, Rob N Michelle Chism, the Bellers Family....

Countless others that I realize we are forgetting and I apologize...Aaron Mathis stepped up and was huge for us. None of this would have been possible without the leadership of Robert McMullin, Kent Essner, Kenny Essner, and even Mrs. Debbie Essner got in on the action late Sunday night.

I can't say enough how this group are complete ROCKSTARS and are always ready to step up and get things done!

Thank You to ShowMe Times and Dee Loflin and Jessica Loflin for bringing us bottled water!

We can't forget the fine folks from Busy B Lumber Company that donated rollers, buckets, pans, and drop cloths. Steve Lacy's crew worked today on finishing the drop ceiling in the coach's office and training room in the field house, Kenny Essner got the coach's office painted today.

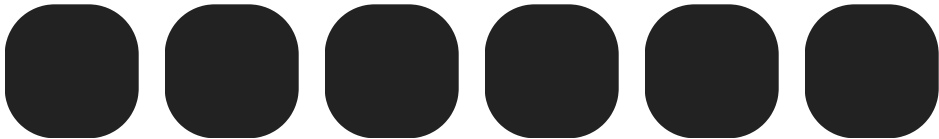

Please remember we have a few lockers left to sell to pay for this football project. Lastly, and most importantly, if you run into those that have helped make this project possible, Please give them a huge THANK YOU! Charles Bland Stadium is coming together and full of [##bearcatpride?](#) ahead of this Friday nights game where we open the season and [#?beatstgen?! ##fireupbearcats?](#)

Thank you from Jason Comfort and the Bearcat "D" Club!
