Local Students Awarded Healthcare Scholarships

Cape Girardeau, Missouri - Saint Francis Foundation and the Saint Francis Medical Center Auxiliary awarded healthcare scholarships to 23 local students on July 31. Each student received $2,000 in scholarships toward a degree in a healthcare-related profession.

The Saint Francis Healthcare Scholarship Program was created in 1980. The program is funded by Saint Francis Foundation and the Saint Francis Auxiliary. Since its inception, the program has provided more than $533,000 in education scholarships to college students in an effort to encourage participation in professional healthcare careers. Scholarship recipients must have completed at least one year in an accredited healthcare program, maintain a minimum of 3.0 GPA and complete the application and essay requirements by the scheduled deadline. They must also reside within Saint Francis Medical Center's service area, as defined in the application.

Saint Francis Foundation is a not-for-profit, tax-exempt charitable organization that supports Saint Francis Medical Center by strengthening the institution overall and reaffirming its mission of supporting the community and the people it serves. Formally organized in 1976, its mission reflects the Medical Center's priorities through fundraising efforts that support the community. The Foundation sponsors several annual events, including golf tournaments, and philanthropic activities such as annual appeals, memorials, endowment funds, planned giving, grants and major gifts. Through the generosity of the community, staff and volunteers, the Foundation accepts contributions each year to purchase state-of-the-art equipment, provide patient and employee assistance, create new programs that help patients in the region, and improve facilities at the Medical Center.
