August/Labor Day Crackdown 'Drive Sober or Get Pulled Over' Enforcement Campaign a Success

Dexter, Missouri - Declaring **Dexter Police Department's** participation in the national August/Labor Day Crackdown "Drive Sober or Get Pulled Over" substance-impaired driving crackdown a major success, Lieutenant Joshua Benton reported that 1 substance-impaired driving arrest and **104** citations were made during the enforcement period, which ran from August 21-September 7, 2015.

"I am proud of our **Officers** for their hard work and dedication to making our region's roadways safer," said **Lieutenant Benton**. "Substance-impaired driving is more than a reckless choice by a few individuals," **Lieutenant Benton said**.

“Each year, substance-impaired driving costs the lives of thousands on America’s highways.

Last year there were 197 fatal and 659 serious injury crashes in 2014 that involved at least one substance-impaired driver. That equates to one substance-impaired driving fatality every 1 ¾ days and one substance-impaired driving serious injury ½ day. There were 11 people killed and 42 seriously injured in Missouri traffic crashes involving a substance-impaired driver from August 15, 2014 through September 1, 2014.

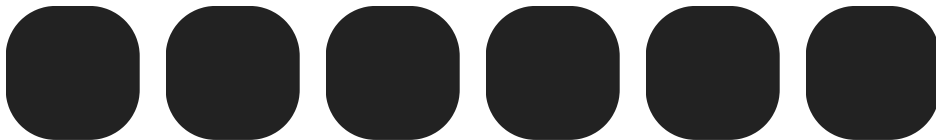

Dexter Police Department joined forces with the National Highway Traffic Safety Administration and nearly 10,000 law enforcement agencies across the country in this year’s “Drive Sober or Get Pulled Over” campaign.

Captain George E. Ridens, commanding officer Troop E, Poplar Bluff, announces that Troop E will be participating in enforcement operations throughout the Labor Day weekend. The objective of these operations is to promote safety and reduce traffic crashes. Throughout the holiday weekend, troopers within Troop E and throughout the state will be participating in Operation C.A.R.E. (Combined Accident Reduction Effort). In addition to Operation C.A.R.E., Troop E will also participate in a statewide enforcement operation during the peak travel periods on Friday, September 4, and

Monday, September 7. During this operation, Troop E troopers will be assigned to Interstate 55 to maximize visibility. Enforcement efforts on secondary roads within Troop E will be conducted during the same time frame.

Captain Ridens said, “Over the entire holiday weekend, troopers will be targeting all traffic violations and will be especially vigilant regarding excessive speed, careless and imprudent driving, and aggressive driving violations. Troopers will also be available to help motorists in need of assistance.”

Approximately 63 percent of Missouri fatal crash victims who are required to be restrained are NOT at the time of the traffic crash. The Patrol urges motorists to protect themselves and their passengers by making sure everyone in the vehicle is properly restrained in a seat belt or child restraint. 61-Mile Yard Sale This Weekend; Drivers Use Caution

Visitors and residents will be out in full force along Route 61 Labor Day weekend in search of bargains at the 61-Mile Yard Sale from Bloomsdale to Jackson, Mo., but MoDOT wants you to remember the greatest savings of the event could be a life.

"It's a fun weekend that people look forward to each year," says Traffic Engineer Craig Compas, "but we want people to remember that there's more traffic and more congestion along Route 61 this weekend than any other and drivers need to keep that in mind."

MoDOT will do its part to bring the safety message to the forefront. Message boards will be in place along the route to alert drivers of the unusual traffic patterns and promote safe driving.

"We really want drivers to be alert-to be aware of their surroundings, to be aware of sudden stops and to look for pedestrian traffic," Compas says. "It's a big event locally, and we want everyone to enjoy themselves and be as safe as possible."

All the fun begins Thursday, September 3rd morning through Saturday.

For more information, contact Compas at (573) 472-5310 or call MoDOT's Customer Service Center toll-free at 1-888-ASK-MODOT (1-888-275-6636).
