**Missouri** - Native trees, shrubs, and woody vines can help improve wildlife habitat and soil and water conservation while also improving the appearance and value of private property. The Missouri Department of Conservation's (MDC) George O. White State Nursery near Licking offers Missouri residents a variety of native seedlings for reforestation, windbreaks, erosion control, wildlife food and cover, and other purposes.

The State Nursery provides mainly one-year-old bare-root seedlings with sizes varying by species. Seedlings varieties include pine, pecan, oak, dogwood, tulip poplar, cottonwood, sweetgum, cypress, birch, hickory, willow, persimmon, pawpaw, deciduous holly, redbud, wild plum, ninebark, witch hazel, serviceberry, mulberry, elderberry, and many others.

Seedlings are available in quantities of 10, 25, or 100 per species. Prices for seedling quantities range from \$6-32 per bundle. Receive a 15-percent discount up to \$20 off seedling orders with a Heritage Card. Orders can be placed until April 15, 2016. Orders will be shipped or can be picked up at the State Nursery from February through May. Quantities are limited so order early.

Find images and information on available items, and ordering information, in the Department's 2015-2016 Seedling Order Form catalog. The catalog is available in the

November issue of the Missouri Conservationist, at MDC regional offices and nature centers by calling the State Nursery at 573-674-3229.

# Dexter Police Dept Steps Up Seat Belt Enforcement

NOVEMBER 04TH 2015 BY DEE LOFLIN

[Dexter Police Dept Steps Up Seat Belt Enforcement](#)

**Dexter, Missouri - Dexter Police** will be joining efforts with statewide law enforcement on November 25 for an aggressive “Click It or Ticket” mobilization to get more motorists to buckle up - and save more lives.

Despite evidence proving the benefits of wearing a seat belt, 20% of Missouri motorists are still not making it click. Even worse, 63% of individuals killed in crashes in Missouri were unrestrained.

“Local motorists should be prepared for stepped up *Click It or Ticket* enforcement,” said **Lieutenant Benton**. “We’ll be out there to remind you seat belts can – and do – save lives.”

Buckle Up and Arrive Alive. For information on Missouri seatbelt usage, visit [www.saveMOlives.com](http://www.saveMOlives.com).
