No MOre Trash Contest with MDC and MoDOT

Missouri Department of Conservation and MoDOT invite schools to fight litter through "No MOre Trash!" contest. Win School Funds While Having Fun Trashing Trash!!

Jefferson City, Missouri - The Missouri Department of Conservation (MDC) and the Missouri Department of Transportation (MoDOT) invite Missouri public, private, and home-school students in grades K-8 to help fight litter in the Show-Me State -- and to have creative and educational fun -- by participating in the 2016 "Yes You CAN Make Missouri Litter-Free" trash-can-decorating contest.

The annual trash-can contest encourages school classes and groups to join in the fight against litter by decorating and displaying a large trash can with the "No MOre Trash!" logo and a litter-prevention message using a variety of creative media.

The annual contest is sponsored by MDC and MoDOT as part of the state's "No MOre Trash!" (NMT) statewide litter campaign. This partnership between MDC and MoDOT, along with thousands of volunteers, is working to prevent and reduce litter in Missouri through education, prevention, and cleanup activities.

According to the Environmental Protection Agency, the average American generates about four pounds of trash each day.

“Missouri’s six million residents produce nearly 26 million pounds of garbage in one day. That’s more than nine BILLION pounds of trash per year!” said MDC NMT Coordinator Joe Jerek. “Much of that trash shows up on our streets and roadsides, natural areas, and waterways. Litter harms our fish and water quality, plants, and hurts wildlife. Litter also hurts property values, landscape appearance, and our overall quality of life.”

Jerek added that littering is illegal in Missouri and can result in a fine of up to \$1,000 and one year in jail.

"In addition to teaching kids about how litter hurts them, their communities, and their environment, the No MOre Trash! contest gives students an opportunity to help prevent littering by creating and providing trash cans with the No MOre Trash! message in their schools and communities," said MoDOT NMT Coordinator Stacy Armstrong.
