Poplar Bluff High School Students Medal at Math Field Day

Poplar Bluff, Missouri - Two Poplar Bluff High School Math Club members earned top placement during Math Field Day on Thursday, April 14, at Southeast Missouri State University in Cape Girardeau.

Humza Siddiqui, a junior, and sophomore Adeesh Mishra placed first and second respectively in the computational math competition. Adeesh also came in second in non-routine level one and Humza placed second in trigonometry.

A total of 25 PBHS students participated in the annual event, vying individually and as part of a team. The Math Club has been preparing for the competition by participating in monthly Missouri Mathematics League activities.

Shown in the photo is the Math Club who participated in Math Field Day earlier this month at SEMO.

Photos and article submitted by Tim Krakowiak, Communications/Marketing Coordinator, Poplar Bluff R-I School District.
