## Fitness Connection Purchases Ozark Wellness

**Dexter, Missouri** - Fitness Connection has purchased Ozark Wellness in Dexter and will also be moving into their new location at the Dexter Chamber of Commerce building soon.

Effective immediately Ozark Wellness will close their doors at 1521 West Business Hwy 60 and transition to the current Fitness Connection location. Temporarily Ozark members can continue to work out and use Fitness Connection as their home gym.

Please be patient during this transition period and in just a couple of month the new facility will be open!

Ozark customers when you are ready to work out just go to Fitness Connection and you will be given a new key for the 24-hour access and you can continue to work out just as you have been. If you are on a monthly billing nothing will change. You will be asked to re-paper your membership under the new name upon your first visit. If you were a Paid in Full member your membership will be HONORED! If you need to cancel your membership for any reason you may do so by signing a cancellation form at Fitness Connection, but they hope you continue your membership with them.

If you have any questions you may call Fitness Connection at (573) 614-7900 or (573) 614-8279.
