Need a Hunter Education Skills Session?

JUNE 06TH 2016 BY DEE LOFLIN

Need a Hunter Education Skills Session?

Perryville, Missouri - The Missouri Department of Conservation (MDC) will host a Hunter Education Skills Session at the Perryville Elks Lodge, Friday, July 22, from 6 to 10 p.m.

Anyone born after Jan. 1, 1967 is required to have an approved hunter education card. The card is also required when purchasing any firearms hunting permit. Hunter education courses are for students 11 years of age and older.

“Hunter education courses are a great way to introduce prospective hunters or even refresh veteran hunters about shooting and hunting techniques, ethics, firearm safety and more,” said Dee Dee Dockins, a MDC outdoor skills specialist.

Dockins said the hunter education process underwent changes in 2013, making it more convenient for students to attend. The course consists of two parts; a knowledge portion and a skills session.

The knowledge portion focuses on hunting equipment, safety, and ethics, and can be completed in one of three different ways. Students can complete the section online, pick up a student manual at a MDC office, or register and attend for a four-hour instructor led classroom session.

The July 22 skills session is the second step in the process. These four-hour sessions are led by instructors with hands-on exercises designed to put the students’ knowledge into practice. After the skills session, students take a 35-question multiple choice exam.

Those who wish to attend the skills session must complete the first step of the process and register for the course at www.mdc.mo.gov. For more information, contact MDC’s Southeast Regional Office at (573)290-5730.

Stuff A Truck with School Supplies

[Stuff A Truck with School Supplies](#)

Stoddard County, Missouri - It's time once again to begin purchasing school supplies. It seems like yesterday students were getting out for their summer break, but August will be here before you know it and children will be in need of school supplies.

Hope International will have a Stuff-A-Truck School Supply drive Friday, June 3rd and Saturday, June 4th from 10 a.m. – 6 p.m. at the Dexter Wal-Mart and Dollar General store.

Last year with the support of local churches and the community HOPE international was able to provide more than 700 students with everything they needed to go back to school.

They held a Back-2-School Bash for students from Richland, Dexter, Bernie, Bloomfield, Puxico, and Advance. Children were also able to get FREE haircuts, FREE vision screenings, clothing and shoe vouchers, and several other booths were set up for parents to get information or free items.

This is NOT a low-income only opportunity in the fall. They want every child to benefit from these events.

Now is the time to help Stuff-A-Truck with school supplies. Notebooks, pencils, erasers, glue, scissors, backpacks, Kleenex, sanitizer, zip lock bags, loose leaf paper, and general school supplies.
