Keller Library Receives New Furniture

OCTOBER 01ST 2015 BY DEE LOFLIN

Keller Library Receives New Furniture

Dexter, Missouri - The Friends of the Library recently purchased a new loveseat, four new chairs, and three new tables for Keller Public Library.

"It was time for an update," commented one of the Friends. The old furniture had been purchased when the library opened in 1997.

"We are really appreciative," commented Library Executive Director Pam Trammell. "The furniture purchased from Morgan's Furniture in downtown Dexter has been well received by our patrons. It's great to have the community's support as well during the Friend's many fundraisers they have throughout the year."

"The Library has already received a Thank You note from a patron," stated Trammell. "It reads 'thank you for providing comfortable, pleasurable, relaxing reading as a visitor!'"

"We are just incredibly grateful for the support from the Friends of the Library," continued Trammell.

The Friends of the Library raises funds throughout the year for programs and services beyond the scope of the library, including their largest fundraiser the annual Fashion Show.

Shown in the photo are Debbie Agey, Graham Steuver, and Peggy Banks (President of the Friends) all seated in the new chairs. Standing are David Agey, owner of Morgan Furniture, Kay Asbell (Treasurer of the Friends), Pam Trammell, and Kathleen Dover, (Board Member of Friends)

Conservation Agent Mark Reed Hosts Heroes of the Wild

JULY 12TH 2015 BY DEE LOFLIN

Conservation Agent Mark Reed Hosts Heroes of the Wild

Dexter, Missouri - More than 100 children and adults attended the Keller Public Library summer reading program, "Every Hero Has a Story." This week featured Mark Read, Stoddard County Conservation Agent, with his many hides, a few skulls of animals native to Missouri and even a good ole green rubber snake.

He talked with the youngsters about each animal's habitat and what they like to eat. The children seemed to be quite knowledgeable as they raised their hands to answer his various questions. He also went over the do's and don'ts of when you see a wild animal outdoors. Some can be very dangerous!

"Never take a wild animal and try to make a pet!"

On Wednesday, July 15th at 11:00 a.m. the final summer reading program will be "Crafts and Ice Cream Sundaes!" YUM! Sounds like a great program! Everyone come out and enjoy! School will begin very soon for the older children!
