## June 14th is Flag Day

JUNE 13TH 2016 BY DEE LOFLIN

### June 14th is Flag Day

**Stoddard County, Missouri** - June 14, 2016 is National Flag Day. The ShowMe Times would like you to submit a photo of your home or business flying the American flag. You may email it to [news@showmetimes.com](mailto:news@showmetimes.com) or send it in a private message to the ShowMe Times Facebook page. Photos will be then posted throughout the day.

Why do we celebrate Flag Day?

In the United States June 14th is the day we adopted the flag in 1777 by resolution of the Second Continental Congress.

In 1916 President Woodrow Wilson issued a proclamation that officially established June 14th at Flag Day. It is not an official federal holiday.

During National Flag Week, the president will issue a proclamation urging U.S. citizens to fly the American flag all week.

Color Meanings: Red stands for hardiness and courage, white is the symbol of purity and innocence, blue is the color of vigilance, perseverance, and justice.

The Blue Field with White Stars: Each white star represents a state in the union against the blue background of perseverance.

The U.S. Flag should be on flown on a flagpole outdoors from sunrise to sunset unless a light is on the flag. It should not be displayed at all during stormy or rainy weather, unless for some very special reason. In no case should the American flag ever touch the ground. It should be raised with hearty briskness, and when lowered, it should be done solemnly and slowly.

What to do when the U.S. Flag is presented or is in a marching line etc: Men not in uniform should take off their hats, and hold

them with the right hand at the left shoulder with the hand over the heart. Civilian women salute the flag by placing the right hand over the heart.

[MoDOT to Hold Public Meeting About Route U Bridge](#)

**Stoddard County, Missouri** - The Missouri Department of Transportation will hold a public meeting from 4 to 6 p.m. Thursday, June 9 to discuss upcoming improvements to the **Route U bridge over the St. Francis River Overflow in Butler and Stoddard Counties**. The meeting will be held at Qulin Middle School, located at 406 Connecticut Street in Qulin, Mo.

"Visitors can stop-by anytime between 4 and 6 p.m. to discuss the details of the project with a member of the project team and provide their comments," said Project Manager Jason Williams.

The project includes replacing the deck of the Route U bridge. The bridge will close for six to eight weeks as construction is underway, weather permitting. Additional details regarding the contractor's schedule will be released prior to the start of construction. Completion is anticipated in late 2017 or early 2018.

The improved bridge will be 24-feet wide - two feet wider than the existing structure.

For more information, please contact Williams at (573) 472-5290, Transportation Project Designer Jeff Wachter at (573) 472-5295 or MoDOT's Customer Service Center toll-free at 1-888-ASK MODOT (275-6636). To view the meeting handout or comment on this project, please attend the online meeting available at: [www.modot.org/southeast/news\\_and\\_information/public\\_meetings](http://www.modot.org/southeast/news_and_information/public_meetings).
