Randall Graham Named Director of Emergency Services

Cape Girardeau, Missouri - Saint Francis Healthcare System is pleased to welcome Randall Graham, MBA, RN, to the role of director of emergency services.

In this role, Graham is responsible for planning, coordinating and supervising all of the non-physician functions within emergency services to ensure that services are provided in accordance with policies, procedures, philosophy and objectives of Saint Francis.

Graham most recently served as manager of the emergency department at Christian Hospital in St. Louis. Prior to that, he was manager of emergency and trauma services at St. John's Mercy Hospital in Washington, Mo. He earned his MBA from Webster University in 2012.

Saint Francis Medical Center is a 284-bed facility serving more than 713,000 people throughout Missouri, Illinois, Kentucky, Tennessee and Arkansas. Guided by its mission to provide a ministry of healing and wellness inspired by its Christian philosophy and values, the Medical Center has become a progressive, innovative regional tertiary care referral center. Saint Francis' major service lines, which have received national recognition, include the Neurosciences Institute; Orthopedic Institute; Family BirthPlace, featuring the region's first Level III Neonatal Intensive Care Unit; Heart Hospital; Emergency and Level III Trauma Center; Cancer Institute; and Fitness Plus.
