Annual Memorial Day Program at Bloomfield

MAY 29TH 2016 BY DEE LOFLIN

Annual Memorial Day Program at Bloomfield

Bloomfield, Missouri - The Annual Memorial Day Program will begin at 1 p.m. on Monday, May 30, 2016 at the Missouri State Veterans Cemetery in Bloomfield.

Monday is Memorial Day in the United States. It is a day to reflect and remember those who sacrificed so much for our freedoms.

Retired members of the Marine Corps, U.S. Army, Air Force, Navy and Coast Guard will perform a ceremony at a beautifully decorated POW/MIA Table while Gary Kitchen SFC USA Retired will narrate. The table symbolizes the fact that members of our armed forces are missing from our ranks. They are unable to be with their loved ones and families today.

Memorial Day will be celebrated around our country as a day of laughter and joy with our families as we celebrate our freedom. Just take a few moments to remember those who gave all so that you may have this day with your family and friends. **REMEMBER!** All gave some, but some gave all!

Our Vision

All children will learn, grow and develop to realize their full potential.

Our Mission

To provide the information, support and encouragement parents need to help their children develop optimally during the crucial early years of life.

Our Values

The early years of a child's life are critical for optimal development and provide the foundation for success in school and in life.

Parents are their children's first and most influential teachers.

Established and emerging research should be the foundation of parent education and family support curricula, training, materials and services.

All young children and their families deserve the same opportunities to succeed, regardless of any demographic, geographic or economic considerations.

An understanding and appreciation of the history and traditions of diverse cultures is essential in serving families.

History

In 1981, Missouri pioneered the concept of helping parents embrace their important role as their child's first and best teacher.

Today, Parents as Teachers continues to equip early childhood organizations and professionals with information and tools that are relevant—and widely applicable—to today's parents, families and children.

The Parents as Teachers leadership team and Board of Directors is engaged in a three-year [strategic plan](#), which positions the organization as a valued partner to support the organizations and professionals who serve families and children, especially those most vulnerable.

The concept for Parents as Teachers was developed in the 1970s when Missouri educators noted that children were beginning kindergarten with varying levels of school readiness. Research showed that greater parent involvement is a critical link in the child's development of learning skills, including reading and writing.

Early childhood professionals suggested that a program to provide early detection of developmental delays and health issues, and parent education to help parents understand their role in encouraging their child's development from the beginning could help improve school readiness and parent involvement.

With funding from the Missouri Department of Elementary and Secondary Education and The Danforth Foundation, Parents as Teachers began in 1981 in Missouri as a pilot project for first-time parents of newborns. Recognizing the program's benefits and cost effectiveness, the Missouri legislature provided state funding in 1985 to implement Parents as Teachers programs in all Missouri school districts. Since 1985, Parents as Teachers has expanded to all 50 states and six other countries.

SEPTEMBER 19TH 2015 BY DEE LOFLIN

[National MIA/POW Recognition at MO Veterans Cemetery](#)

Bloomfield, Missouri - On Friday, the Missouri Veteran's Cemetery honored National POW/MIA Day with their annual ceremony made possible through the

John J. Pershing VA Medical Center and Ken Swearengin, Director of the Cemetery.

Also on hand were the Stoddard County Veterans Honor Guard, VFW Auxiliary Post 4556 from Piggott, Arkansas, Daughters of the American Revolution, and members of the Kenady-Hanks American Legion Post 59.

Paul Schuerenberg, Vocational Community Employment Coordinator for the Veterans Administration welcomed everyone in attendance and gave a brief history of the National POW/MIA Day.

“It was July 19, 1979,” stated Schuerenberg. “when the first commemoration was held to honor America’s POWs and MIAs.” Congress passed the first resolution and a national ceremony was held in the National Cathedral.

“Today,” Schuerenberg continued, “we honor the sacrifices and remarkable determination of veterans captured as prisoners of war, and we remember those who remain unaccounted for, and we wish their families some small comfort in knowing that America has not forgotten them.”

Keynote speaker was Seth W. Barlage, Associate Medical Center Director with the John J. Pershing VA Medical Center.

Barlage said, “Throughout our history, when enemies of freedom were on the march, great Americans took up arms and stopped their advance. They answered their nation’s call to duty.”

“More than 142,000 American servicemen and women were captured from World War I to the Gulf War. Twenty thousand are alive today. They endured the uncertainties, deprivations, and hardships of hostile captivity. The true cost of wartime imprisonment may never be known.”

Two of those servicemen were present today. Jay Barber who was captured in North Korea and taken prisoner on December 3, 1950. He spent nearly three years in the hands of the North Koreans. He was a member of G Company, 2nd Battalion of the 7th Infantry Regiment, 3rd Infantry Division during the Korean War. On August 5, 1953 he was finally freed.

Edward Bender of Cape Girardeau was captured by Germans in 1994 during World War II and is now 97 years old. He flew B17s for the U.S. Air Force. He spent one year and four days in prison camps throughout Germany and Poland

before being freed.

Barber and Bender met for the first time Friday morning. They were honored for their service, their courage and their ability to survive and return home to their families.

Lilly Hoggard and Pamela Wayer of the VFW Auxiliary Post 4556 placed yellow roses for each conflict. A touching POW/MIA Table Ceremony was performed narrated by Gary Kitchen SFC USA RET while Bloomfield student Allison Statler played Amazing Grace on her violin.
