City of Dexter Fireworks Display Set for Sunday Evening

JUNE 27TH 2016 BY DEE LOFLIN

City of Dexter Fireworks Display Set for Sunday Evening

Dexter, Missouri - The City of Dexter will host their annual fourth of July Fireworks Display on Sunday, July 3, 2016 at dusk at the East City Park complex. S&N Display Fireworks of Lincoln, Illinois will be providing the pyrotechnics for the city.

The event is FREE and open to everyone. There will be parking at the East City Park Aquatic Center, along the Dexter Creek levee, the Stoddard County Fairgrounds, and also the parking area south of the ball field. The baseball and soccer fields will be roped off by the Dexter Fire Department prior to the event.

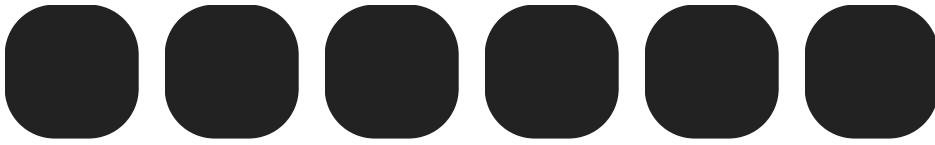

In case of rain on Sunday, July 3rd, the fireworks show will be held on Tuesday, July 5th.

Dexter city ordinance prohibits shooting of fireworks inside the city limits, but will be waived both Sunday, July 3rd and Monday, July 4th to allow residents a chance to celebrate the holiday.

Randall Graham Named Director of Emergency Services

JUNE 23RD 2016 BY DEE LOFLIN

[Randall Graham Named Director of Emergency Services](#)

Cape Girardeau, Missouri - Saint Francis Healthcare System is pleased to welcome Randall Graham, MBA, RN, to the role of director of emergency services.

In this role, Graham is responsible for planning, coordinating and supervising all of the non-physician functions within emergency services to ensure that services are provided in accordance with policies, procedures, philosophy and objectives of Saint Francis.

Graham most recently served as manager of the emergency department at Christian

Hospital in St. Louis. Prior to that, he was manager of emergency and trauma services at St. John's Mercy Hospital in Washington, Mo. He earned his MBA from Webster University in 2012.

Saint Francis Medical Center is a 284-bed facility serving more than 713,000 people throughout Missouri, Illinois, Kentucky, Tennessee and Arkansas. Guided by its mission to provide a ministry of healing and wellness inspired by its Christian philosophy and values, the Medical Center has become a progressive, innovative regional tertiary care referral center. Saint Francis' major service lines, which have received national recognition, include the Neurosciences Institute; Orthopedic Institute; Family BirthPlace, featuring the region's first Level III Neonatal Intensive Care Unit; Heart Hospital; Emergency and Level III Trauma Center; Cancer Institute; and Fitness Plus.

Dexter PD Joins 4th of July Holiday Crackdown

Dexter PD Joins 4th of July Holiday Crackdown

Dexter Police Joins National Fourth (4th) of July Holiday Crackdown

To Reduce Drunk Driving Fatalities

'Drive Sober or Get Pulled Over' Campaign Will Target Substance-Impaired Drivers.

Dexter, MO – Local police will be out in full force as part of the annual nationwide Fourth (4th) of July Holiday "Drive Sober or Get Pulled Over" substance-impaired driving crackdown. The crackdown, which will include high-visibility enforcement throughout Dexter, will run from July 1-5, 2016. The effective nationwide substance-impaired driving crackdown will include high-visibility enforcement, high-profile events, and will be supported by national paid advertising, creating a comprehensive campaign to curb substance-impaired driving over the Fourth (4th) of July Holiday.

Dexter Police said its **Officers** will be aggressively looking for substance-impaired drivers during the crackdown and will arrest anyone caught driving impaired. Although it is illegal in all 50 States, the District of Columbia and Puerto Rico to drive impaired (having a blood alcohol concentration of .08 or higher), far too many people across the nation get behind the wheel after consuming too much alcohol. The latest statistics from the National Highway Traffic Safety Administration underscore the serious nature of the nation's continuing drunk driving epidemic.

"Every year, about one third of all motor vehicle traffic deaths involve one or more substance-impaired drivers or motorcycle operators," said Lieutenant Benton. "In 2015, 192 people were killed and 644 seriously injured on Missouri's roadways in crashes that involved at least one substance-impaired driver." That works out to approximately one substance-impaired driver involved fatality every 1-3/4 days.

Lieutenant Benton added the Fourth (4th) of July holiday is particularly dangerous. During the Fourth (4th) of July holiday July 3-5, 2015, three (3) people were killed and eight (8) seriously injured involving at least one substance-impaired driver.

"Research has shown that high-visibility enforcement like the 'Drive Sober or Get Pulled Over' campaign reduces substance-impaired driving fatalities by as much as 20 percent. By joining this nationwide effort, we will make **Dexter's** roadways safer for everyone throughout the holiday," said **Lieutenant Benton**.

"We want to remind everyone that getting behind the wheel impaired is a terrible idea. Unfortunately, not only does being under the influence impair your ability to operate a vehicle safely, it also impairs your judgment and good sense about whether you can, or should drive. If you have any doubt about your sobriety, do not get behind the wheel. If you do chose to drive impaired, you will be arrested. No warnings. No excuses," Lieutenant Benton said.

Lieutenant Benton noted that being arrested for driving under the influence of any substance brings a wide range of negative consequences into one's life. Substance-impaired drivers face jail time, loss of their driver licenses, and steep financial consequences such as higher insurance rates, attorney fees, court costs, lost time at work, and the potential loss of job. When family, friends and co-workers find out, violators also often face tremendous personal embarrassment.

"Driving while impaired is simply not worth the risk. So don't take the chance. Remember, we will be out in force and we will be watching, so 'Drive Sober or Get Pulled Over,'" said **Lieutenant Benton**.

Louw Named Manager of Fitness Plus in Dexter

JUNE 22ND 2016 BY DEE LOFLIN

[Louw Named Manager of Fitness Plus in Dexter](#)

Dexter, Missouri - Saint Francis Healthcare System is pleased to welcome Herman Louw to his new position as manager at Fitness Plus Dexter, the newest branch of Fitness Plus.

Under the direction of the health and fitness director, Louw will assist with hiring, training, developing and generally managing the fitness center staff.

He earned his master's degree in exercise science from Southern Illinois University Edwardsville in 2007. Before his position with Saint Francis, Louw worked as an exercise physiologist at Carbondale Memorial Hospital, specializing in early mobility.

Saint Francis Medical Center is a 284-bed facility serving more than 713,000 people throughout Missouri, Illinois, Kentucky, Tennessee and Arkansas. Guided by its mission to provide a ministry of healing and wellness inspired by its Christian philosophy and values, the Medical Center has become a progressive, innovative regional tertiary care referral center. Saint Francis' major service lines, which have received national recognition, include the Neurosciences Institute; Orthopedic Institute; Family BirthPlace, featuring the region's first Level III Neonatal Intensive Care Unit; Heart Hospital; Emergency and Level III Trauma Center with Convenient Care; Cancer Institute; and Fitness Plus.

Dexter PD Releases Results of Click It or Ticket Enforcement

JUNE 21ST 2016 BY DEE LOFLIN

Dexter PD Releases Results of Click It or Ticket Enforcement

Dexter Police Releases Results of Click It or Ticket Enforcement

Motorists Reminded to Buckle Up and Arrive Alive

Dexter, Missouri– The Dexter Police Department participated in the national Click

It or Ticket mobilization conducted May 23 – June 5. During the enforcement effort, officers

issued a total of 83 traffic tickets including: 41 seat belt tickets; 13 speeding tickets; and 29 other traffic violations. 2 fugitive arrests were made as a result of the crackdown.

“Seat belts are your single best defense in a crash,” stated Lieutenant Benton. “Law enforcement will continue to encourage drivers to make a simple, smart choice to buckle up and Arrive Alive.”

Six out of 10 people killed in Missouri traffic crashes are unbuckled. Missouri’s seat belt use has remained relatively unchanged in the last six years. Missouri has a 79 percent seat belt use, which is well below the national average of 87 percent. Teens and pick-up truck drivers are among those least likely to buckle up at 67 and 63 percent.

Buckle up and Arrive Alive. For more information on Missouri’s seat belt use, visit

www.saveMOlives.com.
