The decision was made to re-open the position during the 2016-17 school year so that an Assistant Superintendent can be in place for 2017-18.

Mr. Wood, Superintendent, stated: "This option was discussed from the beginning, I knew it would be very tough getting a list of qualified applicants with the amount of experience necessary for this job with it being so late in the year. I feel it's the best decision in our next step to fill this crucial job with the right person".
