**MoDOT begins mowing season for Missouri roadsides  
Motorists asked to slow down and pass crews carefully**

**Missouri** - Pushing the lawn mower back and forth across the yard is a springtime necessity. It can be a pleasure for some and a chore for others. At MoDOT, our crews are beginning the mowing season with a main purpose: safety.

During May and June, there is a good chance you will see MoDOT crews out mowing on tractor mowers so motorists have a clear, safe line of sight as they cruise along state highways.

"We ask motorists to pay attention and slow down when approaching mowing crews. Please take the time to pass carefully and safely especially on rural two lane roads," said MoDOT State Maintenance Engineer Becky Allmeroth.

Major and minor routes will be mowed at least three times through the end of October. Along with the mowing, crews selectively use herbicides to stunt grass growth as well as to control brush and stop the spread of noxious weeds. Wildflowers are an added benefit of not mowing fence-to-fence and careful herbicide usage.

On rural two-lane roads, crews may use a protective "follow" truck to alert motorists they are approaching slow-moving mowers. Drivers are advised to use the following tips to safely pass mowers:

Be alert for trucks and tractors with lights flashing and moving slowly - 2 to 5 mph.

Slow down, and focus on the road ahead of you. Avoid talking and texting on a cell phone or other distractions.

Be prepared to stop or drive very slowly behind a "follow" truck, especially approaching a hill or curve on a two-lane road.

Obey the no passing zone stripes, and only pass when you can see far enough past the "follow" truck to avoid meeting oncoming traffic.

Between mowing cycles, report grass and weeds blocking visibility at intersections along state roads to MoDOT. Contact MoDOT's 24/7 Customer Service Center at 1-888-ASK-MODOT (1-888-275-6636), or fill out an online form at [www.modot.org](http://www.modot.org) and click on Report A Road Concern.

[MoDOT to Hold Public Meeting About Route U Bridge](#)

**Stoddard County, Missouri** - The Missouri Department of Transportation will hold a public meeting from 4 to 6 p.m. Thursday, June 9 to discuss upcoming improvements to the **Route U bridge over the St. Francis River Overflow in Butler and Stoddard Counties**. The meeting will be held at Qulin Middle School, located at 406 Connecticut Street in Qulin, Mo.

"Visitors can stop-by anytime between 4 and 6 p.m. to discuss the details of the project with a member of the project team and provide their comments," said Project Manager Jason Williams.

The project includes replacing the deck of the Route U bridge. The bridge will close for six to eight weeks as construction is underway, weather permitting. Additional details regarding the contractor's schedule will be released prior to the start of construction. Completion is anticipated in late 2017 or early 2018.

The improved bridge will be 24-feet wide - two feet wider than the existing structure.

For more information, please contact Williams at (573) 472-5290, Transportation Project Designer Jeff Wachter at (573) 472-5295 or MoDOT's Customer Service Center toll-free at 1-888-ASK MODOT (275-6636). To view the meeting handout or comment on this project, please attend the online meeting available at: [www.modot.org/southeast/news\\_and\\_information/public\\_meetings](http://www.modot.org/southeast/news_and_information/public_meetings).
