We Got Your Six! Back the Blue

AUGUST 01ST 2016 BY DEE LOFLIN

We Got Your Six! Back the Blue

Dexter, Missouri - The Dexter Police Department is very grateful for the continued outpouring of support from the community. A huge thanks to Janet and Jon Bingham of Bingham Construction for the cookies made by Phyllis Menley, also to First Midwest Bank for the donuts delivered on this morning and to Cypress Point for lunch!

They truly appreciate everything that has been done over the past several weeks.

The Back the Blue day in Dexter will be Thursday, August 4, 2016. Business are asked to decorate with BLUE ribbons and the employees to wear BLUE!

Please submit a photo to news@showmetimes.com or give us a call at 573-380-3318 to get a photo taken on Thursday!

"In the military, "got your six" means "I've got your back." The saying originated with World War I fighter pilots referencing the rear of an airplane as the six o'clock position. If you picture yourself at the center of a clock face, the area directly in front of you is twelve o'clock. Six o'clock is what lies behind you. On a battlefield, your "six" is the most vulnerable. So, when someone tells you that they've "got your six," it means they're watching your back. By extension, that person expects you to have their back as well. "Got your six" is now a ubiquitous term in the military and among police as well as fireman and any emergency responder.

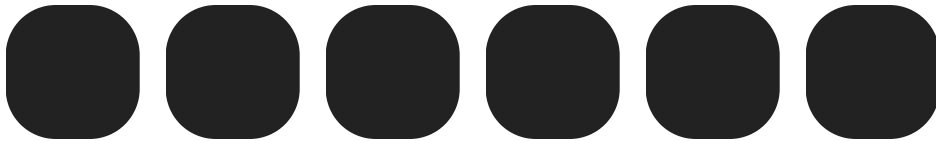

Let's show our support for the men and women who protect us and are there when we need them!

SAINT FRANCIS ADDS ANESTHESIOLOGIST TO STAFF

Cape Girardeau, Missouri - Saint Francis Healthcare System welcomes anesthesiologist Jason A. Conway, MD, as a new Saint Francis Medical Partner. He joins 11 others at Cape Anesthesia Group in providing care to patients before, during and after surgery and offering continuous pain relief throughout surgical, obstetrical or other medical procedures.

Dr. Conway earned his medical degree from American University of the Caribbean School of Medicine in St. Maarten, Netherlands Antilles. He later completed his anesthesiology residency at Penn State Milton S. Hershey Medical Center in Hershey, Pa., and recently fulfilled a cardiothoracic anesthesia fellowship at Cleveland Clinic in Cleveland, Ohio.

In addition to general anesthesia, Dr. Conway's clinical interests include cardiac anesthesia and transesophageal echocardiography.

"We are pleased to welcome Dr. Conway to the Medical Center, where his extensive anesthesiology training and knowledge will help to further enhance the overall safety and well-being of our patients," says Steven C. Bjelich, FACHE-D, President and Chief Executive Officer of Saint Francis Healthcare System.

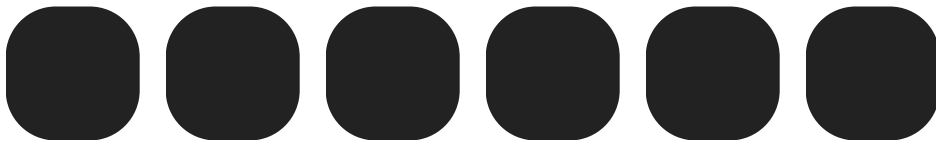

To learn more about Dr. Conway, visit sfmc.net or call 573-331-3996.

Saint Francis Medical Center is a 289-bed facility serving more than 713,000 people throughout Missouri, Illinois, Kentucky, Tennessee and Arkansas. Guided by its mission to provide a ministry of healing and wellness inspired by its Christian philosophy and values, the Medical Center has become a progressive, innovative regional tertiary care referral center. Saint Francis' major service lines, which have received national recognition, include the Neurosciences Institute; Orthopedic Institute; Family BirthPlace, featuring the region's first Level III Neonatal Intensive Care Unit; Heart Hospital; Emergency and Level III Trauma Center; Cancer Institute; and Fitness Plus.
