Culberson Named Facilities Management Director

Saint Francis Healthcare System announces the appointment of Mark Culberson as facilities management director for Saint Francis Healthcare System.

In his new role, Culberson's responsibilities include direct activities of plant operations, plant maintenance and biomedical engineering departments. He will oversee design, cost estimating, scheduling and construction activities throughout Saint Francis Healthcare System properties and serve as the safety officer for Saint Francis.

Culberson joined Saint Francis in 2008 as an electrician, later becoming a construction coordinator. Prior to coming to Saint Francis, Culberson worked in the electrical and medical service industry.

Saint Francis Medical Center is a 289-bed facility serving more than 713,000 people throughout Missouri, Illinois, Kentucky, Tennessee and Arkansas. Guided by its mission to provide a ministry of healing and wellness inspired by its Christian philosophy and values, it has become a progressive and innovative regional tertiary care referral center. Saint Francis' major service lines, which have received national recognition, include the Neurosciences Institute; Orthopedic Institute; Family BirthPlace, featuring the region's first Level III Neonatal Intensive Care Unit; Heart Hospital; Emergency and Level III Trauma Center; Cancer Institute; and Fitness Plus.
