Dexter Community Care Center Hosts Ribbon Cutting

Dexter, Missouri - The Dexter Chamber of Commerce held a ribbon cutting for Dexter Community Care Center on Wednesday, August 10, 2016.

The Community Care Center offers family medical care for all ages, well-child exams, well-woman visits, preventive and health maintenance, sports physicals, scout physicals, and school physicals. They also offer minor procedures and wound care. have a sore throat or a sinus issue, they can treat that as well. Thinking of losing weight or managing a health diet, they offer weight management, hormone testing and management.

Have you tried to quit smoking, but need a little extra help? The Community Care Center has a Smoking Cessation program as well to help you quit the habit.

At Dexter Community Care Center they are able to provide many on-site laboratory services and referrals for specialty needs. They accept most insurances and offer discounted services to non-insured patients. Give them a call at (573) 614-5762 for an appointment. They are located at 1523 Business Hwy 60, Suite 1 next door to Ultimate Flooring & Paint. Hours of operation are Monday - Friday from 8:00 a.m. - 5:00 p.m.

Hollie Hughes, NP-C, Family Nurse Practitioner is now available. She has worked in the medical field for over 10 years and has worked as a Registered Nurse since 2005. She has been a Nurse Practitioner since 2010 in Family Practice. She is married with three boys that reside in Essex where she grew up. Hollie enjoys being outdoors, riding horses,

playing sports, and being at the river, although she spends all her free time keeping up with her three sons.

Dr. Mowaffaq Said has been practicing Nephrology in Southeast Missouri for nearly 15 years. He is a Clinical Associate Professor at St. Louis University Department of Medicine and a member of the National Kidney Foundation. His main office is at the Missouri Delta Physician Services in Sikeston, but will also be treating patients at the Dexter Community Care Center.

Dr. Jennifer Waller, Obstetrics/Gynecology is also accepting patients at the Community Care Center in Dexter. Women's Care includes depression, infertility, menopause management, incontinence, family planning, gynecological surgery, prenatal care, and high risk OB care.

Other doctors will be featured on the ShowMe Times in the near future.
