## In Loving Memory of Frances Cope

**Frances Inez McDaniel Cope** was born on 16 March 1927 in Flint, MI to Richard and Gladys (Turnage) McDaniel. She died on 30 August 2016 at Golden Living Center in Bloomfield of pneumonia, a complication of Alzheimer's, at the age of 89.

Frances grew up on a farm in the Frisco, MO area and attended school at Trotter and Gray Ridge. She was married first to William Albert Rainwater on 15 March 1941 in Bloomfield. They were divorced in 1968. Her second marriage was to Finis Newton Cope on 23 November 1974 at Steele.

Frances dropped out of high school to marry and a vivid dream made her decide to continue her education. She got her high school equivalency at age 28. When she moved to Fontana, CA the following fall, she discovered that Chafee Community College was free and a bus would pick her up at the end of the block. She was in heaven! She loved school and loved to learn! She was always grateful to those who helped her obtain a college education.

Frances worked at the shoe and shirt factories in Dexter after her marriage and then moved to Flint, MI near the end of WWII to work as a gun and bomb sight inspector. In 1959, she got her teaching certificate from Arkansas State and taught 5th grade at Essex for three years. In 1969, at age 42, she earned a degree in Social Work from SEMO State. She was a social worker for the Missouri Department of Social Services in Poplar Bluff, Kennett and Sikeston from 1968 till her retirement in 1992 after 25 years of faithful service. She worked in the children's division for 15 years and was a hotline worker for

neglected and abused children. The last 10 years of her career, she worked for the Division of Aging.

Frances was baptized into the Catholic faith at Sacred Heart Church in Dexter on 15 August 1965. She moved to Sikeston after her husband's death and was a member of St. Francis Xavier Church for many years. After retirement from social work, she volunteered for 10 years as a "Pink Lady" in the gift shop at Missouri Delta Memorial Hospital. She was a lifelong Democrat. She loved to listen to music and had an extensive collection of her favorites. She was always an avid reader.

Her great loves were Faith, Family, Service, Learning, and Music which gave joy and meaning to her life. Frances had a kind and gentle soul and a beautiful smile. She touched the lives of many and everyone loved her. Even in the last stages of Alzheimer's she hugged and kissed her family and those who took care of her. She had lost the ability to speak, except for "I love you," the most important words of all.

Frances is survived by her daughters Brenda Rainwater Garner (Bethel) and Gloria Rainwater Wethington (Don) of Bloomfield, MO.
