National Life Chain Slated for October 2nd

Dexter, Missouri - National Life Chain, a prayer vigil to end abortion in our country, will be held on Sunday, October 2nd from 2:30 p.m. - 3:30 p.m. at the intersection of U.S. Business 60 and One Mile Road in Dexter.

This annual event is designed to show pro-life solidarity in the Christian community and individuals can stand or sit about 12 feet apart along the intersection to pray for an end to abortion.

"Abortion kills children and is just wrong," commented Carol Beam, local organizer of Life Chain. "The church supports the sanctity of life from the moment of conception until natural death and offers healing to post-abortive women."

Area church congregations are asked to participate in the local Life Chain. If your church is participating please check with your local Pastor for your assigned location.

For more information call (573) 820-3506 or (573) 624-9590 or email to carolshipmanbeam@gmail.com.
