Republic Services Open House and Food Drive

SEPTEMBER 24TH 2016 BY DEE LOFLIN

Republic Services Open House and Food Drive

Dexter, Missouri - Ever wondered what the landfill looked like behind the fencing? Here is your opportunity! Republic Services and Lemons Landfill will host an Open House/Annual Customer Appreciation Day along with a canned food drive on Friday, October 7, 2016 from 11:00 a.m. - 3:00 p.m.

Republic Services is also hosting their first Food Drive. They will donate \$250 to the Stoddard County Food Bank as well as all canned and dry goods collected during the Open House.

Lemons Landfill is located at 15250 Old Bloomfield Road in Dexter. Landfill tours will be held from 11:00 a.m. - 1:00 p.m. Lunch will be served. BBQ, chips, and cookies along with a soft drink or bottled water will be provided.

There will also be give-a-ways!

Please join Republic Services and Lemons Landfill for their Annual Customer Appreciation Day and Open House. And don't forget to bring canned goods or dry goods for the local Food Bank.

Help them feed the hungry!! Contact Crystal Young at (573) 820-6932 for more information and large groups please RSVP.

Check us out at www.republicservices.com or www.disposal.com.

Ernst Named Clinical Director at St. Francis

SEPTEMBER 24TH 2016 BY DEE LOFLIN

[Ernst Named Clinical Director at St. Francis](#)

ERNST NAMED CLINICAL DIRECTOR FOR MEDICAL AND CRITICAL CARE SERVICES

Saint Francis Healthcare System announces the appointment of Denise Ernst, BSN, RN, CCRN-CSC-CMC, as the clinical director for medical and critical care services for Saint Francis Healthcare System.

In her new role, Ernst's responsibilities include planning and directing both the administrative and clinical activities of the intensive care units: medical, progressive care and wound care therapy. This position reports directly to the vice president of patient care.

Ernst has been the patient care manager for the cardiac intensive care and progressive care

at Saint Francis since 2011. She became the manager of progressive care earlier this year. Prior to coming to Saint Francis, Ernst worked in the intensive care unit at Barnes-Jewish Hospital in St. Louis.

She earned a Bachelor of Science in nursing from Southeast Missouri State University.

Saint Francis Medical Center is a 289-bed facility serving more than 713,000 people throughout Missouri, Illinois, Kentucky, Tennessee and Arkansas. Guided by its mission to provide a ministry of healing and wellness inspired by its Christian philosophy and values, it has become a progressive and innovative regional tertiary care referral center. Saint Francis' major service lines, which have received national recognition, include the Neurosciences Institute; Orthopedic Institute; Family BirthPlace, featuring the region's first Level III Neonatal Intensive Care Unit; Heart Hospital; Emergency and Level III Trauma Center; Cancer Institute; and Fitness Plus.

Progress as Promised with Stoddard County 911

SEPTEMBER 23RD 2016 BY DEE LOFLIN

[Progress as Promised with Stoddard County 911](#)

Stoddard County, Missouri - County 911 Sales Tax Collection will begin October 1, 2016. The 3/16th of a percent sales tax to fund the Stoddard County 911 Services will begin while the fee levied on land-line telephones will be discontinued.

Carol Moreland, County 911 Administrator, has contacted all telephone companies to notify them that the fee on landlines was to stop on September 30th.

Stoddard County voters approved the sales tax by a 3,270 - 1,044 vote in April of 2016.

Due to a steep decline in landline usage, it was necessary to ask the public to change the sales tax. More than 80 percent of 911 calls were coming from cell phones users. There were 1,387 calls made to 911 in the month of August of those calls, 1,189 were made with cell phones with 857 for EMS services, 373 were for law enforcement and 15 were to report fires. Several efforts through both elections and the legislature were made to levy a fee on cell phone usage, but all have failed.

Moreland said that sales tax receipts will be directly deposited into the 911 Services account.

Based on the 2015 sales tax receipts to the county, it is hoped that more than \$500,000 would be collected. The landline tax was generating only about \$140,000 per year so the additional revenue would now allow for improvements in technology and to update necessary equipment for County 911 services.

One of the largest upgrades will hopefully come in 2017, a \$200,000 system that will allow emergency dispatchers to pinpoint cell-phone callers.

SDR Mapping Company is already half way through the county collecting address points. By November they will receive wireless locations.

A new app is now implemented for Emergency Responders called Active 911. This will assist them in expedient emergency response.

"Thank you for saving 911," commented Carol Moreland on behalf of the Stoddard County 911 Services.
