ShowMe Times October Calendar Girl - Miss Emma Dawson

OCTOBER 06TH 2016 BY DEE LOFLIN

ShowMe Times October Calendar Girl - Miss Emma Dawson

Bernie, Missouri - Emma Dawson has been chosen as the 2016 ShowMe Times October Calendar Girl!

She is the 15 year-old daughter of Chris and Scarlet Dawson.

She is a sophomore at Bernie High School.

Emma is a high school cheerleader and is active in Sr. Beta, Future Business Leaders of America, FCCLA, and the Pep Club.

Gymnastics and reading use up most of her free time.

Her future plans are to attend college on a pre-med track and then medical school.

Congratulations Emma! Our community is extremely proud of you and your accomplishments.

Bernie PAT October Student of the Month

OCTOBER 05TH 2016 BY DEE LOFLIN

Bernie PAT October Student of the Month

Bernie, Missouri - Parents as Teachers in Bernie have selected Alexander Fox Morley as the October Student of the Month.

Fox is the thirteen month old son of Billy and Aleshia Morley.

He loves reading, playing social games, dancing, and most of all snack time.

During the family's PAT visits mom says Fox enjoys all of the new activities Mrs. McGarity brings and participating in the structured play.

If you would like to know more about Parents as Teachers contact Courtney McGarity or Casey Arnold at 573-293-5335, ext 293 or find them on Facebook by clicking **HERE**.

The following information was taken directly from the Parent as Teachers Missouri website. For more information click **HERE**.

Our Vision

All children will learn, grow and develop to realize their full potential.

Our Mission

To provide the information, support and encouragement parents need to help their children develop optimally during the crucial early years of life.

Our Values

The early years of a child's life are critical for optimal development and provide the foundation for success in school and in life.

Parents are their children's first and most influential teachers.

Established and emerging research should be the foundation of parent education and family support curricula, training, materials and services.

All young children and their families deserve the same opportunities to succeed, regardless of any demographic, geographic or economic considerations.

An understanding and appreciation of the history and traditions of diverse cultures is essential in serving families.

History

In 1981, Missouri pioneered the concept of helping parents embrace their important role as their child's first and best teacher. Today, Parents as Teachers continues to equip early childhood organizations and professionals with information and tools that are relevant—and widely applicable—to today's parents, families and children.

The Parents as Teachers leadership team and Board of Directors is engaged in a three-year strategic plan, which positions the organization as a valued partner to support the organizations and professionals who serve families and children, especially those most vulnerable.

The concept for Parents as Teachers was developed in the 1970s when Missouri educators noted that children were beginning kindergarten with varying levels of school readiness. Research showed that greater parent involvement is a critical link in the child's development of learning skills, including reading and writing.

Early childhood professionals suggested that a program to provide early detection of developmental delays and health issues, and parent education to help parents understand their role in encouraging their child's development from the beginning could help improve school readiness and parent involvement.

With funding from the Missouri Department of Elementary and Secondary Education and The Danforth Foundation, Parents as Teachers began in 1981 in Missouri as a pilot project for first-time parents of newborns. Recognizing the program's benefits and cost effectiveness, the Missouri legislature provided state funding in 1985 to implement Parents as Teachers programs in all Missouri school districts. Since 1985, Parents as Teachers has expanded to all 50 states and six other countries.
