## Local Students Attend Scholarship Luncheon

SEPTEMBER 13TH 2016 BY DEE LOFLIN

Local Students Attend Scholarship Luncheon

**Cape Girardeau, Missouri** - SoutheastHEALTH Foundation and SoutheastHEALTH Auxiliary scholarship recipients had the opportunity to personally thank the individuals who are helping them earn advanced degrees at a Scholarship Luncheon held recently at the Jackson Civic Center. The luncheon celebrated the success of 26 students who received more than \$42,000 in scholarship awards.

Foundation and Auxiliary programs continue to grow each year, said SoutheastHEALTH Foundation Executive Director Patti Ranzini. “Because of the generosity of donors, our

scholarship recipients are working to transform their dreams into reality. Our scholarship programs not only make a difference to students, but also to our communities, as scholars meet their academic goals and enter the growing healthcare workforce.”

Since 1962, more than \$1.1 million in scholarships has been awarded.

## Blood Drive at Bloomfield High School

---

## Blood Drive at Bloomfield High School

### Help prepare the blood supply this National Preparedness Month

**Bloomfield, Missouri** - During National Preparedness Month in September, the American Red Cross encourages eligible donors to give blood to help ensure a readily available blood supply for emergencies. Bloomfield High School will have a blood drive from 9:00 a.m. - 2:00 p.m. on Wednesday, September 14th.

Whether blood is needed for a chronic condition such as sickle cell disease, a routine surgery, a traumatic accident or a large-scale emergency, it's the blood already on the shelves that helps save lives. Donors of all blood types are needed.

Donations decline around summer holidays like Labor Day. To thank those who come out to give Sept. 2-6, the Red Cross is providing a branded duffel bag, while supplies last.

To make an appointment to give blood, download the Red Cross Blood Donor App, visit [redcrossblood.org](http://redcrossblood.org) or call 1-800-RED CROSS (1-800-733-2767). Donors are encouraged to make appointments and complete the RapidPass online health history questionnaire at [redcrossblood.org/rapidpass](http://redcrossblood.org/rapidpass) to help reduce wait times.
