November 15th is America Recycles Day!

Each year on November 15, millions of people across the United States take part in America Recycles Day, a day which was created to raise awareness about recycling and the purchasing of recycled products.

HOW TO OBSERVE

Recycle, buy recycled goods and help teach others the benefits of recycling and continue to do so each day! Use #AmericaRecyclesDay to post on social media.

HISTORY

America Recycles Day was started in 1997 by the National Recycling Coalition and is declared each year by Presidential Proclamation, encouraging Americans to commit to recycling. Since 2009, this day has been a program of Keep America Beautiful. There are thousands of events that are held across the United States to raise awareness about the importance of recycling and offering personal pledges that can be signed, committing to recycling and buying products made from recycled materials.
