Rotary Club Blood Drive Set for Monday, December 12th

DECEMBER 09TH 2016 BY DEE LOFLIN

Rotary Club Blood Drive Set for Monday, December 12th

Dexter, Missouri - Rotary Club Blood Drive will be held at Sacred Heart Catholic Church on Monday, December 12, 2016 from 1 p.m. - 6 p.m.

A decline in donations occurs from Thanksgiving to New Year's Day when donors are busy with family gatherings and travel. However, patients don't get a holiday break from needing lifesaving transfusions. In fact, every two seconds, someone in the U.S. needs blood.

Platelets and type AB plasma also needed

Platelet donors and those with type AB blood are also continually needed to help ensure patients receive the lifesaving blood products they need. Platelets – a key clotting component of blood often needed by cancer patients, surgical patients and bone marrow recipients – must be transfused within five days of donation, so donations are constantly needed. Donors with type AB blood are urged to give blood or platelets to restock the plasma supply. Type AB donors have the universal plasma type, which can be given to patients of all blood types.

How to donate blood

The free Blood Donor App – available in app stores by searching for American Red Cross or by texting BLOODAPP to 90999 – not only makes appointment

scheduling easy, but donors can also access their digital donor card and be notified when their donation is distributed to a hospital. Donors can also visit redcrossblood.org or call 1-800-RED CROSS (1-800-733-2767) to make an appointment or for more information. All blood types are needed to ensure a reliable supply for patients. A blood donor card or driver's license or two other forms of identification are required at check-in. Individuals who are 17 years of age (16 with parental consent in some states), weigh at least 110 pounds and are in generally good health may be eligible to donate blood. High school students and other donors 18 years of age and younger also have to meet certain height and weight requirements.

Blood donors in the Missouri-Illinois Blood Services Region can now save time at their next donation by using RapidPass to complete their pre-donation reading and health history questionnaire online, on the day of their donation, prior to arriving at the blood drive. To get started and learn more, visit redcrossblood.org/RapidPass and follow the instructions on the site.

About the American Red Cross

The American Red Cross shelters, feeds and provides emotional support to victims of disasters; supplies about 40 percent of the nation's blood; teaches skills that save lives; provides international humanitarian aid; and supports military members and their families. The Red Cross is a not-for-profit organization that depends on volunteers and the generosity of the American public to perform its mission. For more information, please visit redcross.org or visit us on Twitter at [@RedCross](https://twitter.com/RedCross).

Interstate 55 Reduced for Bridge Maintenance

DECEMBER 08TH 2016 BY DEE LOFLIN

Interstate 55 Reduced for Bridge Maintenance

Southbound I-55 in Pemiscot County will be reduced as contractor crews perform bridge maintenance.

This bridge is located north of the Route A interchange.

Weather permitting, work will take place Monday, Dec. 19 through Saturday, Dec. 31 from 7 a.m. to 5 p.m. daily.

The work zone will be marked with signs. Motorists are urged to use extreme caution while traveling near the area.

For additional information, contact MoDOT's Customer Service Center toll-free at 1-888-ASK-MODOT (1-888-275-6636) or visit www.modot.org/southeast.

Bootheel Recycling Price Sheet - Monday, December 5, 2016

DECEMBER 06TH 2016 BY DEE LOFLIN

[Bootheel Recycling Price Sheet - Monday, December 5, 2016](#)

Dexter, Missouri - "Bootheel Recycling is a Missouri scrap metal recycling company whose customer base includes regional utility companies, large manufacturing businesses, tool and die shops, local Dexter scrap dealers, haulers, farmers and individuals across Southeast Missouri and Arkansas."

"We comply vigilantly with the laws set forth by OSHA, EPA, federal and Missouri. Our scrap metal recycling policies are honest and transparent. Our scales are certified yearly and calibrated twice a year. We belong to the Chamber of Commerce and the Institute of Scrap Recycling Industries. We are OSHA 10 certified. We have the highest graded material in the industry."

"We buy most forms of ferrous and non-ferrous metals, including copper, aluminum, stainless steel, brass, scrap iron, radiators and catalytic converters. Please consult our Scrap Metal Selling Guide to find out more about how to sell scrap metal, and how to get

the most money for your scrap metal. The best indication of our success is our loyal customer base. We are nice people with good business practices. We have a very high level of return business, and our new customers often come to us by way of referral."

"Our friendly customer service staff will ensure that your recycling experience is simple and hassle-free. Our modern and streamlined processing system allows us to offer competitive prices. Please contact us today if you would like to inquire about our services."

Check out their website by clicking **HERE**.

Hiring Farm Equipment Technicians

DECEMBER 02ND 2016 BY DEE LOFLIN

Hiring Farm Equipment Technicians

SEEKING FARM EQUIPMENT TECHNICIANS

MirTech Harvest Center, the dealer for CLAAS Lexion combines, tractors and hay and forage equipment, is seeking, for immediate employment, experienced technicians with proven history repairing large-scale agriculture equipment. We offer competitive pay, plus health, and retirement benefits, liberal vacation and sick-leave. A valid drivers' license, background check, and drug test required.

The ideal candidate will have experience troubleshooting, diagnosing and repairing large-scale equipment such as combines, tractors, air-seeders, sprayers, etc., in both shop and field conditions.

Contact: Kyle Burger at 101 County Line Road, Sikeston, MO at (573)475-6921
