Long Winter Break Did Not Stop Lady Cats

JANUARY 12TH 2017 BY DEE LOFLIN

Long Winter Break Did Not Stop Lady Cats

Kennett, Missouri - The Dexter Bearcats girls basketball team experienced little difficulty defeating the Kennett Lady Indians after a long winter nap of 18 days without a game.

Coach Chad Allen said with the cancellation of the Farmington game, the girls hadn't had a game since December 22, 2016. Though the girls put in some long 3-hour practices sometimes it's hard to comeback from being off so long, but the Lady Cats came out defensively early on and built a 40 - 11 lead at the half.

Probably one of the best defensive efforts Bearcat fans have seen all season.

"We were so active tonight on both ends tonight," commented head coach Chad Allen. "We shot the ball well too. Most importantly I think we created a lot off our defense. We had a lot of transition points and a lot of points on turn overs. When you can guard like that good things are going to happen offensively."

The fans also saw a little different defensive action by the Lady Cats against Kennett, a perhaps a new twist on defense.

"It's a little different for the girls. We call it a jackhammer," commented Allen. "It's not quite a straight 1-3-1 defense. The middle person has to cover and trap the corners and its an anticipater when the ball is up top. We keep our big around the basket and protect the rim and the middle person is trapping and reading passes. Its a great defense and we used it at Three Rivers and called it a Jackhamer as well."

You want someone long and athletic on top of it," continued Allen. "Hannah and Maycie are both long and athletic. Maycie can read so well. We also did a good job in the second half as well. It has given us a chance to use it and work on it and become successive running it."

Three Cats were in double figures. Sophomore Chaylea Mosby led with 16 points including three treys. Junior Hannah Thurmon recorded 11 and senior Cheyenne Mosby contributed 10 points. Lauren Davis tallied 9 points all on 3-pointers.

"She can flat out shoot it and if she has any space at all she will flat knock it down," stated Allen about Lauren's efforts. "She is doing great things for us and will get more playing time as the year continues."

The Lady Cats (8-5) will be back on the court traveling to Neelyville on Thursday, a rematch of the 2016 Lady Royals Christmas Classic Championship. Game time 6:00 p.m. "Neelyville It is going to be tough. If we can be this active like we were tonight we can do well" finished Allen.

Kennett's Dakayla Duckworth led the Indians with 11 points. Heidi Shetley finished with 9 points.

Jarrell's 3-Point Buzzer Beater Wins Homecoming Game

JANUARY 12TH 2017 BY DEE LOFLIN

Jarrell's 3-Point Buzzer Beater Wins Homecoming Game

Dexter, Missouri - Homecoming came right down to the wire. It was truly a battle between the Bearcats and the Woodland Cardinals.

Trailing by two points with less than 4.1 seconds remaining the Bearcats knew they had only one opportunity. Coach Josh Dowdy's last play could not have been played out any better.

It took four long throws. First Alan Pippins in-bounded the ball to senior Ryan Mayo who threw it to half court with Gabe Jackson waiting for the ball. Jackson pitched it to senior Jason Jarrell who stood at the right side of the basket and shot for a perfect 3-pointer to earn a game ending 64-63 win over the Woodland.

"Those four guys executed the ball perfectly," Dowdy said. "Sindle was there somewhere, supposed to get the rebound, but he was probably jumping up and down if I know Ben."

His trey was his only field goal in the game. His other four points came from free-throws earlier in the game totaling seven for what is normally a high scoring athlete.

"Jason has been clutch for us a couple of different times this year," stated head boys basketball coach Josh Dowdy. "He hit two huge free throws against Kennett in the semifinal game of the Bloomfield Christmas Tournament and tonight he hit a big shot in his last Homecoming game of his high school career. I bet he and the rest of us will remember that for a while."

Dexter led 18-15 at the end of the first period. The second quarter belonged to Woodland, outscoring the Bearcats 20 - 12 by the half it was 30-35 Woodland! Dexter pushed back in the second half and defensively holding the Cardinals to just 9 points in the third.

Dexter junior Clay Mullins led all scorers with a game-high 23 points. Ten of those points from the charity stripe.

"Clay hit some big free throws down the stretch," Dowdy said. "He did a real nice job of attacking the basket also."

Gabe Jackson tallied 14 points, 15 rebounds, and 6 blocks for the Bearcats.

Senior Ryan Mayo hit two 3-pointers in the second half.

"Ryan Mayo played another great game. He hit a big three that ignited us and created a couple of key turnovers on the defensive end. He is playing like a senior - like he only has a few games left."

"This team is having fun and it is awesome to see the smiles on their faces," Dowdy said. "They deserve it - Their road has not been easy. The hard work continues to pay off for them!"

Woodland's Michael McCormick led with 14 points. Tyler Womack tallied 10 points. Two were 3-pointers. Paul Duncan added 10 as well.

"Woodland was well prepared and played a great game," stated Dowdy. "We have a lot of work left to do on the defensive end. We made some crucial mistakes down the stretch that usually cost you games. We are fortunate to escape with a victory."

Dexter returns on Friday against rival Bernie at the Mule Barn! Get there early for a good seat as that gym fills up fast! Game time 6:00 p.m.

MDC Will Host a Women's Rabbit Hunt Valentine's Weekend

JANUARY 06TH 2017 BY DEE LOFLIN

MDC Will Host a Women's Rabbit Hunt Valentine's Weekend

Women can discover nature through rabbit hunting

Puxico, Missouri - The Valentine's Day weekend is the perfect time for Southeast Missouri women to relax and have fun hunting rabbits, according to the Missouri Department of Conservation (MDC). The annual Women's Rabbit Hunting Clinic is scheduled for Feb. 11, beginning at 8 a.m., near Duck Creek Conservation Area.

"This is a very hands-on course and is an environment where anyone can learn, even if they've never fired a gun before," said Conservation Agent Mic Plunkett.

The clinic begins with an introduction to rabbit hunting, where the women learn rabbit species identification, hunting techniques, safety and regulations. They then learn how beagles assist in hunting rabbits before testing their shooting capabilities with expert instruction.

"We ensure each participant gets an opportunity to target shoot with one-on-one instruction before we take them to the field to hunt," Plunkett said.

After target practice and classroom instruction, the group is accompanied by guides while they try their hand at hunting rabbits. At the end of the day, there's instruction on cleaning and cooking the harvest before the new hunters share their hunting stories.

Plunkett said those who sign up should come prepared for camaraderie, shared adventures and excitement.

"Every part of the clinic is designed to take someone through the whole experience step by step to ensure safety, a fun time and an understanding of why hunting is important," Plunkett said.

“This rabbit hunting clinic is part of the Conservation Department’s mission to help people discover nature by spending time outdoors,” Plunkett said.

For more information and to sign up for the Women’s Rabbit Hunting Clinic, call the MDC’s Southeast Regional Office at (573) 290-5730. For more information about rabbit hunting in Missouri, go online to mdc.mo.gov/hunting.
