## Starnes Addresses Large Crowd at Annual Chamber Awards Event

JANUARY 30TH 2017 BY DEE LOFLIN

### Starnes Addresses Large Crowd at Annual Chamber Awards Event

**Dexter, Missouri** - Hillary Starnes, Executive Director of the Dexter Chamber of Commerce addressed a large crowd at the annual awards event on Saturday, January 28, 2017.

"I want to welcome and thank everyone for attending today," commented Starnes. "I also want to thank you for supporting the Chamber as I have survived my first full year here."

Starnes discussed how much the North Outer Road is getting more businesses with a used car dealership, a food truck, two new buildings at Greeniversity, and engineering firm and another building for Williams Moving. She also noted that Business 60 has had a few facelifts on buildings, a few new buildings and other buildings that have set empty are now occupied. Also Dexter's healthcare services are booming and expanding.

"The Historic Downtown has remained steady, survived another fire, and will continue to grow their events to increase foot traffic," stated Starnes. "It takes a village to grow Dexter and even though I talked about each of these sections individually, we are all

investing and working and taking pride in our community as one."

Starnes also spoke of one of the Chamber's future goals to better serve the county and one of them is to become Work Ready certified which will put Dexter on the radar for new businesses and industries.

The Chamber also had an increase in Dexter Dollars purchased. In 2016, \$28,700 were purchased and all that money stays in the city of Dexter.

"When a company or person purchases Dexter Dollars that money not only stays in Dexter, it is a Chamber Member only benefit," commented Starnes. "So we encourage our businesses to purchase them for their employees for birthdays, a special thank you, safety incentive or any other occasion."

She thanked the city of Dexter employees for their hard work helping the Chamber and getting things done around town. She also thanked Patty Shell for helping with the Polar Express event that brought in more than 200 people to the caboose and depot, most coming from out of town.

Also in attendance were Senator Doug Libla, Billy Pat Wright, Leslie Herbst from Congressman Jason Smith's office, and 151st State Representative Tila Hubrecht who also received a thank you from Starnes.

Next at the podium was Chamber President Jason Banken.

"The Chamber staff, the Chamber Board, and the Chamber Development Board all have input into several areas of the community either directly or through joint efforts with the city," stated Banken. "Those areas touched are the welcoming of new businesses; promoting business and industry recruitment; the promotion of tourism; working with the downtown organization; as well as other organizations; providing rental space for star-up businesses; providing lease space for one of the local industries and for a Dexter Campus of Three Rivers."

"We ended the year with 299 Chamber members and are already increasing the membership of 2017," continued Banken. "The office is becoming more efficient and their community awareness is increasing. The Chamber is the FRONT DOOR to Dexter and the office has to know the businesses, industries, and departments of the city to be able to answer any questions of potential citizens, tourists, or residents may have."

The Dexter Chamber of Commerce announced 2016 Dexter Leadership group, Retiring Directors, Retiring President, introduced the current Board of Directors, Organization of the Year, Business of the Year, Industry of the Year, Educator of the Year, and

Distinguished Citizen of the Year. Each award will be presented in additional articles on the ShowMe Times.

## 5th Annual Pull Tab Drive for Brandon

---

JANUARY 26TH 2017 BY DEE LOFLIN

### 5th Annual Pull Tab Drive for Brandon

**Dexter, Missouri** - For the past five years Brandon Scott has held his annual Pull Tab Drive for the Ronald McDonald House Charities of St. Louis by collecting pull tabs from soda cans. One local business, Bootheel Recycling, helps Brandon collect those tabs in Dexter.

Mark and Kristi Booker, owners of Bootheel Recycling, are big supporters of this young man and they hope you will bring your tabs by their business located at 202 Harris Drive. Every tab counts!!

Brandon Scott was diagnosed with Leukemia at the young age of 23 months and has been saving tabs for RMH for nearly 13 years.

On Saturday, April 8, 2017 from 10:00 a.m. - 2:00 p.m. at the American Legion located on PP Hwy in Poplar Bluff, his family and friends will be selling baked goods, pull tab bracelets, lots of silent auction items will be available, t-shirts, and raffle tickets for great prizes. Most importantly everyone who has been saving pull tabs for Brandon will bring them to be weighed and packed for recycling.

Ronald McDonald will be there greeting everyone, signing autographs, posing for pictures and doing his awesome magic tricks!

His goal this year is to present the RMH with 3,000 pounds of tabs and a donation check for at least \$5,000.00 at the Tab Top Pandemonium in May. Please help us spread the word by supporting Brandon's favorite charity so it can be as successful as possible. Last year he was able to raise over \$7,000.00 and turned in a little over 3,000 pounds of tabs for the RMH with all of your support!

If you would like further information or would like to donate please contact Kim Scott at (573) 300-6195. The American Legion is located at 2320 Kanell Blvd.
