Daily Devotional - Tuesday, February 21, 2017 - The Truth About the Trinity

John 14:26-27

The word *Trinity* cannot be found in the Bible, but the truth of it can. While there's only one God, the Godhead consists of three distinct persons—the Father, Son, and Holy Spirit. All are equally omniscient, omnipotent, omnipresent, eternal, and unchanging, but each is unique in function.

Scripture not only shows how each member of the Trinity fulfills His specific role but also reveals how those three roles interrelate. Let me express this idea in simple terms: The Father creates a plan, Jesus Christ implements the plan, and the Holy Spirit administers the plan.

The way of redemption showcases these roles in a clear manner. The Father designed and organized the way that mankind would be redeemed ([Gal. 4:4-5](#)). He set into motion a complex set of events, actions, and prophecies, which culminated in the life and death of a Savior. The Son carried out the plan ([John 6:37-38](#)). He followed the Father's instructions to come to earth, even though that meant He would have to die. The Holy Spirit sees to it that every person feels a call toward God's saving grace ([John 16:8](#); [Rom. 1:19-20](#)). Furthermore, He transforms the lives of those who receive salvation through Jesus Christ.

The Father, Son, and Holy Spirit are equal in their divine attributes. Yet each one relates to mankind in a different way because He has a specific role in our life. It's very

important to understand this distinction: We do not have three gods; we have one God in three persons functioning uniquely and perfectly.
