House Members to Honor Missouri's Vietnam Veterans

In anticipation of the state's annual Vietnam Veterans Day on March 30, House members are encouraging veterans throughout the state to come forward to receive recognition for their service. As part of the annual celebration, Vietnam veterans will be honored at the State Capitol in the House Chamber by the Speaker of the House and the members of the House of Representatives. Each veteran will also receive an official House Resolution in honor of the service they provided to the nation.

Vietnam Veterans Day was created by the General Assembly with the passage of HB 1128 in 2012. The day, which is scheduled for March 30, is meant to recognize the courage and patriotism of those who served during the Vietnam Conflict. During the day, Missourians are encouraged to hold events, activities, and remembrances in honor of the veterans who bravely fought, served, and sacrificed during the Vietnam Conflict and returned home to no parades, ceremonies, or public celebrations to welcome them in gratitude for their courageous service given and sacrifices made on behalf of our nation.

If you or someone you know would like to be recognized, please contact my legislative assistant office via email at deborah.huebert@house.mo.gov or call 573-751-1494.
