Lady Cats Play Carl Junction for 3rd Place

Lady Cats Play Carl Junction for 3rd Place

Columbia, Missouri - The Dexter Lady 'Cats will be waking up this morning with a little fire to get back to the court after last night's loss to the St. Pius Warriors 59 - 34. Today's game could be noted as the Class 4 State Championship for public schools as opposed to Saturday's game between the two private school powerhouse teams.

Carl Junction (27-3) suffered a tough loss to Incarnate Word last night by a score of 47 - 24. The Bearcats, with a 22 - 9 season record, are focused on ending on a good note. This is the third attempt for the Bearcats in the consolation bracket and they have settled for 4th place in both previous attempts.

Carl Junction is located in Jasper County in the Southwest part of Missouri with an enrollment of 1,006 students, compared to Dexter's 633 students. The Lady Bulldogs have two strong weapons in 6' 1" senior Alex Vogt with 13.4 points per game average and 6' 2" junior Megan Scott with 11.4 points per game average. Vogt is shooting 57% from the field and is a strong inside force for the Lady Bulldogs. Carl Junction is not quite the strong outside shooting team with only one strong threat from the outside, Emma Frack, with 44 three-pointers on the year with a 32% three-point percentage.

This contrasts to the Lady Bearcat's total of 203 three-point shots on the year, led by Chaylea Mosby's amazing 108 made three pointers at a 47% rate. As of today, Mosby is tied for 8th place in the All-Time History of Missouri Lady's Basketball for 3-Point shots made in a season. Harley Allen has dumped in her share of 3-point baskets with 39 for the season, which is second on the team, followed by Sitze with 26 three-pointers made.

Dexter is a well-rounded team with strong stats in all areas of the game. Natalie Sitze has 110 assists on the season followed by Mosby with 74 and Hannah Thurmon with 53 assists. Thurmon's mark on assists is a strong stat considering she is one of the Bearcat's post players.

Thurmon also leads the Lady 'Cats in rebounding with 168 rebounds. Mosby is a close second with 131 followed by Rylee Allen off the bench with 104 rebounds. Two other notable "off-the-bench" players for the 'Cats are Maycie Martin and Megan Trout. Martin is currently 3rd on the team in field goal percentage making 52% of her shots and Megan Trout is that high energy defensive backup point guard that allows the LBB to never miss a beat when she enters the game.

Krysten Garrison has posted some incredible numbers coming off a major shoulder surgery at the beginning of the season with an solid 14.2 per game average on scoring, placing her as the second leading scorer on the team.

Dexter is a young team with only 2 seniors, Cheyenne Mosby and Harley Allen. Mosby had a late-season injury and has been a solid contributor to the team throughout the season and known as a tremendous offensive rebounding force for the LBB.

As you can see, the Dexter LBB is completely solid from starters to bench so they enter the game today in a good position to earn the 3rd place trophy. The Lady Bearcat program has an incredible group of coaches that has formed this tradition over the years. Head Coach Chad Allen enters the game with a career winning record of 223 wins and 66 losses. His highly valued assistant coach Eric Sitze has a strong background leading the Boys's Basketball program to a final-four appearance in the early 2000's.

Game time is at 12:45 today from the MIZZOU Arena. Catch the action on the big screen at First Baptist Church Fellowship Hall where they will again host a Lady Bearcat Watch Party beginning at noon on Friday!

Lady 'Cats Fall to St. Pius Warriors at Final Four Semifinals

Lady 'Cats Fall to St. Pius Warriors at Final Four Semifinals

Columbia, Missouri - The High School Basketball Final Four is an incredible tradition that is laced with pride and accomplishment. The Lady Bearcats of Dexter entered tonight's game with a record of 22 - 8 to face the Warriors of St. Pius X High School with a record of 24 - 5. Every team that makes that long trek to Columbia has one thing in common - every single team has worked hard and filled with talented athletes. Many times, the outcome of the games comes down to who gets the quicker start.

The Lady 'Cats found tonight's game to be one of those tough starts as the St. Pius X Warriors racked up 17 unanswered points in the beginning of the first quarter. St. Pius X was on fire as the Warriors spread the scoring out among their starting lineup.

Dexter junior Krysten Garrison was able to drop in a bucket with just 42 second left in the first quarter to make the score 2 - 17.

"As a first time experience," commented Dexter head coach Chad Allen, "The girls simply came out a little tight too start the game and dug a big hole too much to overcome."

In the second quarter, Bearcat sophomore Chaylea Mosby got things rolling with a lay-up followed by a 3-point shot early. Natalie Sitze followed with a breakaway lay-up to close

the gap to 9 midway through the second quarter. Hannah Thurman put in a inside shot making it a 7-point game until the Warriors regrouped and went on a 4-point run to close the half out with a lead over the Lady Cats 26 - 15.

"Basketball is a game of runs," added Coach Allen. "Every time we'd make a run trying to dig out of that 1st quarter, they would respond with a run of their own."

Dexter closed the game in the 3rd quarter with the 3-point shooting of Chaylea Mosby. Again, the Warriors responded with a run of their own closing out the quarter with a Lady Cats behind by 10. The 'Cats were outscored in the fourth quarter 21 to 6 making the final score of tonight's semifinal game 59 - 34.

Chaylea Mosby lead all Bearcat scorers with 17-points. She was followed with Krysten Garrison with 8, Hannah Thurman with 6, Natalie Sitze with 2 and Rylee Allen with 1-point.

DHS Boys Tennis Team Returns Two Seniors

Dexter, Missouri - There will be a lot of new faces this season for the Dexter Bearcats Tennis Team. Last year five seniors graduated. In the 2017 season two seniors are returning to the court.

"This should be a fun year," commented Dexter boys tennis coach Kurt Lovelady. "I have a lot of new athletes on varsity after graduating five seniors last year. Most of the boys put in a lot of work in the off season and it has shown in practice."

Zach Potts and Will Brehmer are the only two seniors on the team.

"Potts is returning this year. He went to State last year in doubles," continued Lovelady. "He came up one win short of placing and getting medal."

"He is a tremendous worker and goes hard during practice," Lovelady said of Potts. "This will be his fourth year on varsity and hopefully he can improve upon his run to State last

year."

"Brehmer has worked hard in the off season as well and has moved up this year to an upper varsity spot," stated Lovelady. "Will's ground strokes have improved a lot so far this season."

Dexter will open their 2017 season on the road at Poplar Bluff on Thursday, March 23rd. Match time 4:00 p.m. Their first home match will be Wednesday, March 29th at 4:00 p.m. against Cape Central.

DHS Baseball Team Anxious to Get Season Started

MARCH 13TH 2017 BY DEE LOFLIN

DHS Baseball Team Anxious to Get Season Started

Dexter, Missouri - With new renovations at the East Park baseball field, the Dexter Bearcat Baseball Team is anxious to get their 2017 season started.

"The renovations to our field brought a new level of excitement that as a coach is very pleasing," commented Dexter head baseball coach Brian Becker. "The kids are anxious, as am I, to get the season going."

Returning to the field this year are seniors Jason Jarrell, Hunter Parrott, and Riley Mason. Jarrell is starting as catcher and was All-Conference and All-District Athlete last year in Class 4, District 1 baseball. Parrott will play as an infielder and pitcher. Mason will play as an outfield and pitcher.

"Overall, I think one of the strengths of our team will be our pitching depth. We have several kids that return with experience on the mound," continued Becker. "That will prove to be important given the new pitch count restrictions that are in place this season. It is essential that you have depth, but right now I am looking for someone to step up and be the ace. We will see how that goes as the season progresses."

Dexter has two new key additions to the team this season. Clay Mullins and Cordell Holt. Mullins will perform as an out fielder and pitcher and Holt will be on third base.

"The big key for us will be our performance at the plate," stated Becker. "We struggled as a team last year, but part of that was because of our youth. They are another year stronger and most of them have matured enough to handle that bat a little better."

The Dexter Bearcats will compete in Class 4, District 1 against New Madrid County Central, Fredericktown, Kennett, Notre Dame, Perryville and Sikeston.

"Once again we are in the always competitive SEMO Conference," Becker said. "I feel it is one of the best conferences top to bottom anywhere around. Our district tournament will have a couple of new teams (Sikeston and NMCC) which only makes an already tough district even tougher."

Doniphan moved out of Class 4. Sikeston and NMCC are now in Class 4.

Competing in the SEMO Conference are Notre Dame, Jackson, Poplar Bluff, Kennett, Cape Girardeau, New Madrid County Central, Sikeston, and Dexter.

The Bearcats will have a total of 26 players on the Junior Varsity and Varsity teams for the 2017 baseball season.

Dexter will open on Saturday, March 18, 2017 at home against Cooter at 10 a.m. and Clearwater at 2 p.m. at the East Park Baseball Field.

2017 roster includes: Seniors: Ethan Martinez, Jason Jarrell, Riley Mason, and Hunter Parrott; Juniors: Trevor McDonald, Trenton Willis, Landon Henson, Cordell Holt, Clay Mullins, Kris Rinehart, and Spencer Owens; Sophomores: Dawson Jones, Tyler Wright, Tristan Williams, Luke Thurston, Caleb Stearnes, Caleb Hoggard, Colton Rodgers, and Ethan Kincy, ; Freshman: Mason Keena, Joon Jin, Carson Bell, Phillip Toledo, Garrett Henson, Luke Becker, and Haden Hillis.

The SEMO Conference Tournament will be held April 28 - May 1st and the Class 4 State Tournament will be held May 23rd - June 2nd.
