Dexter Elks 2017 Female Student of the Year
Dexter, Missouri, Dexter Elks Lodge #2439 recently named their 2017 Male Student of the Year in Stoddard County. Each month throughout the academic school year two students are named at each county school for their academic excellence. From that pool of students, one male and one female student are then selected at the conclusion of the school year and honored as the Elks Students of the Year.

The program is coordinated by local Elks, Larry and Carol White, who go to each county school and recognize the students of the month from Advance, Bell City, Bernie, Bloomfield, Dexter, Puxico, and Richland.

MaKayla Hunt of Bell City High School was named the 2017 Dexter Elks Female Student of the Year.

She is the daughter of Kevin and Stacey Hunt.

Her future plans are to attend Southeast Missouri State University - Cape Girardeau and eventually transfer to the University of Missouri - Columbia to become a Pediatrician.
