## ShowIt2Vote: Voter ID Election Requirement Changes in Missouri

Show a government-issued photo ID. Driver License – Nondriver license – Passport – Military ID

Sign the provided statement and show one of the following. Voter Registration Card – ID from a Missouri university, college, vocational or technical school – Utility Bill – Bank Statement – Government Check – Paycheck – Other Government document showing your name and address

Vote a provisional ballot. There are two ways your vote counts.

If your signature matches the signature in the voter registry, your vote counts.

If you come back to your polling place and show a photo ID, your vote counts.

Missouri's new photo voter ID law ([HB 1631](#)), effective on June 1, 2017, outlines identification options for registered Missouri voters to use on Election Day at their polling

location.

Most Missourians have a Missouri Driver's License or Nondriver License, which is an acceptable photo ID for voting. There are also plenty of other options, too.

- Option 1: Provide a Missouri issued Driver or Non-Driver license, U.S. Passport, or Military ID
- Option 2: Provide a secondary form of identification, such as a paycheck or bank statement and sign a [statement](#) confirming their identity
- Option 3: If the voter has no form of identification, but is a registered voter, they may cast a provisional ballot

Missouri's photo voter ID law also requires the state of Missouri to assist voters who might not have a photo ID with the process of obtaining one free Missouri non-driver license for the purpose of voting.
