ShowIt2Vote: Voter ID Election Requirement Changes in Missouri

Missouri - Missouri's photo ID requirement for voting started June 1, 2017. That means in any election after that date, you will be asked to show a photo ID before you vote. If you voted in the last election, you can vote! Here's how you can ShowIt2Vote:

Show a government-issued photo ID. Driver License – Nondriver license – Passport – Military ID

Sign the provided statement and show one of the following. Voter Registration Card – ID from a Missouri university, college, vocational or technical school – Utility Bill – Bank Statement – Government Check – Paycheck – Other Government document showing your name and address

Vote a provisional ballot. There are two ways your vote counts.
If your signature matches the signature in the voter registry, your vote counts.
If you come back to your polling place and show a photo ID, your vote counts.

Missouri's new photo voter ID law (HB 1631), effective on June 1, 2017, outlines identification options for registered Missouri voters to use on Election Day at their polling location.

Most Missourians have a Missouri Driver's License or Nondriver License, which is an acceptable photo ID for voting. There are also plenty of other options, too.

• Option 1: Provide a Missouri issued Driver or Non-Driver license, U.S. Passport, or Military ID

• Option 2: Provide a secondary form of identification, such as a paycheck or bank statement and sign a statement confirming their identity

• Option 3: If the voter has no form of identification, but is a registered voter, they may cast a provisional ballot

Missouri's photo voter ID law also requires the state of Missouri to assist voters who might not have a photo ID   with the process of obtaining one free Missouri non-driver license for the purpose of voting.

June 6, 1944 D-Day - Operation Overlord

JUNE 06TH 2017 BY DEE LOFLIN

June 6, 1944 D-Day - Operation Overlord

United States - Today is Tuesday, June 6, 2017 and on this day in 1944 Allied forces stormed the beaches of Normandy, France staging one of the pivotal attacks against Germany during World War II.

World War II museums, memorials, and ceremonies will be honoring the American, British and Canadian forces who landed along the 50 mile stretch of beaches that day 72 years ago.

The landing of troops on the beaches of Normandy on June 6, 1944, known around the world as D-Day, was given the name Operation Overlord. Leading up to the attack, plans of deception were carried out to mislead Germany. The overall commander of Operation Overlord was General Dwight Eisenhower.

The attack included more than 5,000 ships, 11,000 aircraft and landed more than 156,000 troops in Normandy. There are estimates of approximately 4,000 Allied casualties that day alone. The largest one day loss of American soldiers.

Please take a moment today and remember the brave men who lost their lives 72 years ago today. There aren't very many WWII veterans left so if you know one, thank them for their service and commitment to keeping us free and safe.

Motorists Reminded to Buckle Up and Arrive Alive

Dexter, Missouri - The Dexter Police Department participated in the national Click It or Ticket mobilization conducted May 22 – June 4. During the enforcement effort, officers conducted 189 traffic stops resulting in the following: Officers issued a total of 129 traffic tickets including: 50 seat belt tickets; 1 child restraint ticket; 1 signal light violation; 4 driving while suspended/revoked tickets; 3 no operator license tickets; 11 uninsured motorist tickets; 28 speeding tickets; and 31 other non-hazardous moving traffic violations. 178 written/verbal warnings were issued as well.
"Seat belts are your single best defense in a crash," stated Chief Sammy Stone. "Law enforcement will continue to encourage drivers to make a simple, smart choice to buckle up and Arrive Alive."
Six out of 10 people killed in Missouri traffic crashes are unbuckled. Missouri's seat belt use has remained relatively unchanged in the last six years. Missouri has an 81 percent seat belt use, which is well below the national average of 88 percent. Teens and pick-up truck drivers are among those least likely to buckle up at 70 and 69 percent.

Buckle up and Arrive Alive. For more information on Missouri's seat belt use, visit **www.saveMOlives.com.**
