Dexter's First Air Force Base Presentation at Stars & Stripes Museum

Bloomfield, Missouri - Pastor Mike Williams is presenting "Dexter's First Air-Force Base" at the Stars & Stripes Museum, Monday, May 22nd at 6:30 p.m.

Many long-time local residents are familiar with the Dexter Airport's creation as a satellite field for the Malden Air Base during WWII and the Korean War. This is not the only time that Stoddard County played a role in training pilots for the US military. A quite different, and much earlier, military airfield was once found in Dexter.

During the First World War a rented hay field on the west side of town hosted pilots from across the country.

Despite the occasional pig grazing on the runway, the community developed a reputation for hospitality among the cadets of Memphis' Park Field training base.

Dexter even helped get three young lieutenants into the record books. Following a war bond drive performance in Bloomfield the night before, three pilots and their mechanic set off on what became the longest flight recorded up to that point in history.

Dexter Police to Participate in Click It or Ticket Enforcement

Dexter, Missouri - Dexter Police will be joining with statewide law enforcement May 22 – June 4 for an aggressive “Click It or Ticket” mobilization to crack down on Missouri’s seat belt violations.

Six out of 10 people killed in Missouri traffic crashes are unbuckled. And even with all the advancements in automobile safety and education on the importance of seat belt use, Missouri’s seat belt use has remained relatively unchanged in the last six years and consistently below the national average.

Missouri has an 81 percent seat belt use, which is well below the national average of 88 percent. Teens and pick-up truck drivers are among those least likely to buckle up at 70 and 69 percent.

“Every day someone dies in a crash in Missouri because they weren’t buckled up,” said Chief Stone. “We will be pulling out all the stops to ensure motorists are buckling up.”

Seat belt use is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.

Buckle Up and Arrive Alive. For information on Missouri seatbelt usage, visit www.saveMOLives.com.
