Elder Awarded Schell Scholarship at University of Missouri - Columbia

## **Elder awarded Elyzabeth H. Schell Scholarship from MU College of Agriculture, Food and Natural Resources**

Columbia, Missouri - Kendra Elder of Bloomfield, Missouri, has been awarded the Elyzabeth H. Schell Scholarship from the University of Missouri College of Agriculture, Food and Natural Resources for the 2017-2018 academic year.

“Scholarships enable us to recruit and retain academically talented students to our college,” said Bryan Garton, associate dean of academic programs.

Elder, a junior majoring in agricultural education, is the daughter of Jerry Elder and Pam Elder.

The Elyzabeth H. Schell Scholarship was established in 1981 by the estate of Elyzabeth Schell. The Schells were in the dairy business in the Kansas City area and had a strong interest in agriculture. Scholarships are awarded to students whose parents are Missouri landowning farmers or ranchers.

"As the cost of earning a college degree continues to increase, more students are in need of financial assistance," Garton said. "The goal of our college over the next five years is to increase our total annual scholarships awarded from approximately \$1.3 to \$1.5 million."

Information on scholarships and the college is available from Garton at 573-882-0089 or from high school counselors.

## Welding Classes to be Offered in Dexter by Three Rivers College

AUGUST 09TH 2017 BY DEE LOFLIN

### Welding Classes to be Offered in Dexter by Three Rivers College

Dexter, Missouri - Three Rivers College has announced that it will begin offering welding classes at its Three Rivers – Dexter location, starting in the college’s upcoming Fall semester. Three Rivers will offer two one-year certificates for welding, as well as an Associate of Applied Science Degree in Engineering Technology with a focus on welding.

“Our welding programs offer an efficient and affordable gateway into a high-demand career,” said Dr. Dan Lauder, Chair of the Career Studies and Workforce Development department at Three Rivers. “In as little as a year, a student in these programs can be ready for well-paying welding jobs anywhere in the nation.”

Students in Three Rivers’ welding programs in Dexter can obtain a one-year certificate in Manufacturing Welding or Maintenance Welding in a year, or an Associate of Applied Science Degree in Engineering Technology -- Welding Option in two years. In addition to the welding programs, Three Rivers – Dexter also offers a one-year Green Diesel certificate, focusing on diesel engine mechanics.

“Students will gain valuable in-demand skills pursuing a certificate in either the Welding or Green Diesel programs,” said Lauder. “Employers frequently hire students from our Green Diesel program before they even complete the program.”

Fall classes at Three Rivers, including the Welding program, begin August 14, with a registration deadline of Friday, August 11. Prospective students can visit [trcc.edu](http://trcc.edu) or call 573-270-9605 for more information on all of Three Rivers’ programs of study. To apply for admission to Three Rivers, visit [trcc.edu/admissions](http://trcc.edu/admissions). Prospective students must possess a high school diploma or high school equivalency credential.
