Robotics Club Collecting Deodorant for Backpacks for Kids

SEPTEMBER 11TH 2017 BY DEE LOFLIN

Robotics Club Collecting Deodorant for Backpacks for Kids

Dexter, Missouri - The Dexter High School Robotics Club is collecting deodorant. Kind of an odd request, but for a good cause! They are donating the deodorant to the BackPacks for Friday (BFF) Program.

BackPacks For Friday (BFF) is a program designed to help families with a backpack full of food to supplement their pantries at home on the weekends. This program is a partnership between the school district and Southeast Missouri Food Bank.

"We are able to provide this service to our students because of many generous donors in our community," commented Amber Nea, Director of Special Services at Dexter Schools.

Approximately 40 elementary students in the Dexter School District will be given a bag of non-perishable food each Friday afternoon for the family to eat over the weekend. The food is distributed discreetly to each child before leaving the school building. The BFF program begins in August and continues until the end of the school year.

Families have many different reasons for needing the extra food. The school district does not need to know the specific reason(s) why, only that it is needed.

The Robotics club at Dexter High School adopted BFF as their service project last school year. They use the schedule below to collect additional treats that are added to the BFF backpacks once a month just for fun.

"We are honored this group of youngsters has chosen to adopt our program," continued Nea. "Friday is a happy day for these children, and the added treats make it even more special."

You can help! For the month of September send a stick of deodorant with your student. There is a box outside of Mrs. Tiska Rodgers' classroom at the high school. If your student is not at the high school, just drop off at the office and they will have a student deliver to the Robotics Club box. All donations are welcome!

Nov.-Shampoo/Soap

Dec.-gloves/hats/scarves

Jan.-Chap-stick

If anyone would like to donate to this program please contact: Amy James, Director of Special Services at 573-614-1000 ext. 1604.

FCA Donates to Hope International for Hurricane Harvey Victims

SEPTEMBER 08TH 2017 BY DEE LOFLIN

FCA Donates to Hope International for Hurricane Harvey Victims

Dexter, Missouri - When anyone is in need Fellowship of Christian Athletes spring into action. Last week after the devastating damage done by Hurricane Harvey in the Houston, Texas area, FCA students came to the rescue.

These students donated a truck load of supplies including toothpaste, toothbrushes, deodorants, paper towels, toilet paper, snacks, peroxide, and mosquito spray. It takes everyone's help these days and they knew they had to act. They know that when you have nothing anything is a help.

Hebrews 13:16 "Do not neglect to do good and to share what you have, for such sacrifices are pleasing to God."

FCA students stepped up and gave! Amy Simmons and Kim Waldner are the sponsors of FCA and both are very proud of their athletes.

Hope International will be sending a second semi-truck soon to help Hurricane Harvey victims. Unfortunately another hurricane "Irma" is barreling towards Florida at this time. More help will be needed.
