Dexter PD Will Crack Down on Child Restraint Violations

Missouri Law Requires Children under Eight to Be Buckled Up

Dexter, Missouri - Missouri law requires all children under the age of eight to be in an appropriate child safety seat or booster seat unless they are 80 lbs or 4'9" tall.

Dexter Police Department announced today they are joining with law enforcement September 17-23 for an aggressive Child Passenger Safety Week Law Enforcement Campaign to crack down on Missouri's child safety seat law violators and to reduce highway fatalities and injuries to children.

Car crashes are the number one killer of kids. Booster seat use reduces the risk of serious injury by 45 percent for children aged 4-8 years when compared with seat belt use alone. Is your child safe?

Chief Stone said regular child safety seat and safety belt use is the single most effective way to protect people and reduce fatalities in motor vehicle crashes.
