Danny Ervin Bell, son of the late Ervin Bell, Jr. and Billie Gwendolyn (Gregory) Bell, was born on November 11, 1947, in Poplar Bluff, Missouri, and departed this life on December 10, 2017, at his home in Haines City, Florida, at the age of 70.

Bell and wife Dena of Dexter, Missouri; Michael E. Bell and wife Cindy, of Bloomfield, Missouri; nieces; nephews; cousins; many family and friends.

Danny embraced spending time with his daughter and granddaughters. He was a loving person to all he met and would help anyone. He loved being with family and friends, always caring and enjoying life. He set an example by showing his love and giving his time to friends and loved ones. Through all of his life's challenges, he was optimistic and full of hope.

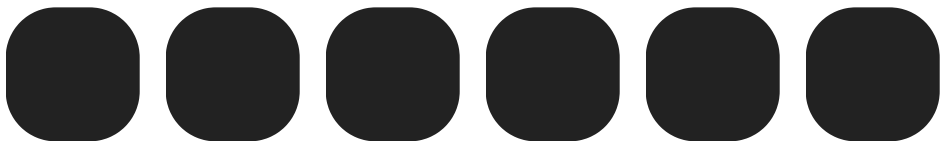

Danny graduated from Bloomfield schools in 1965. He was of the Baptist faith. Danny served 4 years in the USAF, after which he moved to St. Louis, Missouri, and worked for McDonnell Douglas until he retired. After retirement, he moved to Haines City, Florida, where he enjoyed his passion for golfing and contributing to the community.

A person's belief in people is not one's salvation, but love for and belief in your Savior is; Danny believed that. He believed your good deeds will not save you, but your belief on the Lord Jesus Christ will. He may not have shown it, but he believed it. He was a loving man who shared his love with all mankind. He was a blessed person, and through his love, he blessed many others.

His memory will be carried forever in the hearts of his family and friends.
