Help Us Kickoff the American Cancer Society Relay For Life of Stoddard County on Monday, Ja

The American Cancer Society Relay For Life of Stoddard County kicks off its new fundraising season on Monday, January 8th from 6:00 to 7:00 pm at Dexter Chamber of Commerce, 515 West Market St #B in Dexter. The community is invited to come out and learn more about the Relay For Life movement and how they can help the American Cancer Society attack cancer from every angle.

“This is our community’s opportunity to help save lives from cancer by taking our message to more people and raising more dollars to fund the fight,” said Belinda Worley, Relay For Life Event Co-Lead. “Together, our efforts can make a big difference.”

The American Cancer Society Relay For Life movement is the world’s largest peer-to-peer fundraising event to save lives from cancer. At Relay For Life events, participants celebrate people who have been touched by cancer, remember loved ones lost, and take action for lifesaving change. Together, we can beat our biggest rival. Join a Relay For Life event and help us attack cancer from every angle.

The program will highlight how the community has benefited from funds raised and how you and your team can do your part in the fight against cancer. During the kickoff event, community members will have the opportunity to register a team for the Relay For Life event, which will be held on May 4, 2018 at Dexter East Park.

Funds raised help the American Cancer Society attack cancer in dozens of ways, each of them critical to achieving a world without cancer – from developing breakthrough therapies to building supportive communities, from providing empowering resources to deploying activists to raise awareness.

US Corps to Hold Wappapello Plan Workshops

JANUARY 03RD 2018 BY DEE LOFLIN

[US Corps to Hold Wappapello Plan Workshops](#)

Wappapello, Missouri - the St. Louis District U.S. Army Corps of Engineers is currently updating the Wappapello Lake Master Plan and the Shoreline Management Plan. The

purpose of updating these plans is to bring them into compliance with current US Army Corps of Engineers policies and regulations, update visitor use trends and obtain public input to ensure future activities are accomplished in an environmentally sustainable manner.

Customer input is extremely valuable to this process. The U.S. Army Corps of Engineers would like to invite the public to participate in this update process. Two workshops will be held at Wappapello Lake. Both workshops will be open for Master Plan and Shoreline Management Plan comments and will be held at the following times and locations:

January 17, 2018 from 4 p.m. - 7 p.m. at the Greenville Elementary School, 195 Walnut St. Greenville, Missouri

January 18, 2018 from 4 p.m. - 7 p.m. at the Bill Emerson Memorial Visitor Center, Missouri State Highway T, near the Wappapello Dam

Additionally, digit versions of the current Wappapello Lake Master Plan and Shoreline Management Plan can be reviewed at our website...

www.mvs.usace.army.mil/Missions/Recreation/Wappapello-Lake/Wappapello-Lake-Master-Plan/

Users can submit comments pertaining to both plans through this website. Please contact Assistant Manager James Gracey at (573) 222-8562 if you have any questions concerning the Wappapello Lake Master Plan or the Shoreline Management Plan process.

Dexter Firemen Honored for Years of Service

DECEMBER 27TH 2017 BY DEE LOFLIN

[Dexter Firemen Honored for Years of Service](#)

Dexter, Missouri- Five Dexter firefighters were honored for their years of service at the annual awards banquet held on December 16, 2017 at Hickory Log.

Receiving commemorative star pins depicting their years on the department were, from left, Beau Bishop with 20 years, Jeff Riddle with 25 years, Landon Miller with five years, Gary Kinder with 30 years, and at far right, Dale Rowe. Rowe is the longest standing veteran on the local Fire Department, having served for 45 years.

Congratulations gentlemen. The Dexter community is proud to have you serving as local firemen.
