Counterfeit Money Still Making Appearances in Dexter

JANUARY 03RD 2018 BY DEE LOFLIN

Counterfeit Money Still Making Appearances in Dexter

Dexter, Missouri - Recently businesses in Dexter received counterfeit bills according to the Dexter Police Department.

Denominations were \$10 and \$20. Local businesses should be on the lookout for more suspicious looking money.

LOOK FOR THE SECURITY THREAD!

The security thread is one of the most distinctive security indicators of an authentic bill

If you hold any bill up to the light, you will see a security strip on an authentic bill. It will have “USA” and the Bill’s denomination, aka “USA 20” running vertically on the bill.

The ultimate test is to put the bill under a UV or black light and make sure the bill glows the correct color. This extra security measure was originally added to provide a quick way for bar owners (one of the businesses most commonly targeted to dispose of counterfeit bills) to check the legitimacy of a bill.

Here are the location and colors of the security threads on different bills:

\$5 – Right side. Glows blue under UV light

\$10 – Right side. Glows orange under UV light

\$20 – Far left hand side. Glows green under UV light

\$50 – Right around the middle. Glows yellow Under UV light

\$100 – On left side. Glows pink under UV light

The newly printed \$100 has an extra security feature. There is a visible blue security ribbon down the right middle of the bill that is 3D. If you move it back and forth, you will actually see the number 100 and a variety of little bells will move from side-to-side as the bill shifts.
