Dexter Bearcats Named SCAA Cheerleading Champions

JANUARY 29TH 2018 BY DEE LOFLIN

Dexter Bearcats Named SCAA Cheerleading Champions

Dexter, Missouri - The Dexter Cheerleading Team was named the 2018 Stoddard County Cheerleading Champions at the Stoddard County Athletic Association (SCAA) boys basketball tournament on Friday, January 26, 2018.

It's a unique tradition in Stoddard County. The tournament brings together every corner of the county. Each school bringing their own traditions and pre-warm up rituals. A sense of school and community pride all came together last week for a great four days of basketball.

And while the eight teams in the conference shook hands and met on the court for great contests, there were also the cheerleader competitions for both the All-Tournament County Team and for the Championship Team.

Cheer teams and dance squads perform great half-time entertainment throughout the week.

Friday night featured the Bloomfield Wildcats Cheer Team and the Dexter High School Cheer Team during the half-time of both the JV and Varsity Championship games.

For the fifth year in a row, the Dexter Bearcats cheer squad received the Cheerleading Team Award.

Pictured back row left to right: Hallie Keathley, Rae-Ann Riddle, Madilyn Hampton, Blair Rogers, Margo Nea, Kyla Propst, and Colby Christian.
Front row left to right: Addie Kruse, Rhylan Hillis. Britney Hubbard, Morgan Aldridge, Bailee Williams, and Maci Daniels.

Trout Harvest Begins February 1, 2018

JANUARY 25TH 2018 BY DEE LOFLIN

[Trout Harvest Begins February 1, 2018](#)

Trout harvest begins February 1

Lakes in Jackson, Farmington and Perryville are stocked and ready.

Cape Girardeau, Missouri - The Missouri Department of Conservation (MDC) says trout may be harvested from Rotary Lake in Jackson, Giessing Lake in Farmington and Legion Lake in Perryville beginning Feb. 1.

According to Mike Reed, MDC fisheries management biologist, fishing has been variable this winter due to weather extremes.

“If the lakes aren't frozen, we should have an excellent opener to the trout harvest season,” Reed said.

Reed said MDC stocked trout in November at the start of the catch-and-release season.

“These fish provide a tremendous amount of fishing opportunity through the fall and winter months when warm water fishing is at a lull,” Reed said, adding that in addition to

catchable-size fish, a few “lunker” trout were also stocked at each lake.

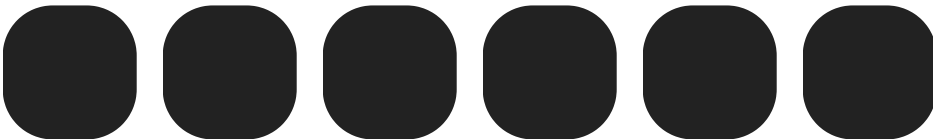

Reed reminds anglers they must release trout caught now through Jan. 31. Starting Feb. 1, any bait may be used and four trout may be kept regardless of size. All anglers between the ages of 16 and 64 must have a valid Missouri fishing permit and any angler harvesting trout must possess a trout permit.

Many anglers frequently catch limits of trout using light weight or ultra-light fishing tackle or fly tackle. Reed recommends anglers use 2-4 lb. test line, small hooks and little or no added weight to their line. Popular baits include almost any type of small spinner, small crank baits, natural baits such as worms and cheese and commercially produced dough baits.
