Route N in Stoddard County Reduced For Partial Overlay

MARCH 27TH 2018 BY DEE LOFLIN

Route N in Stoddard County Reduced For Partial Overlay

[Route N in Stoddard County Reduced For Partial Overlay](#)

WILLOW SPRINGS - Route N in Stoddard County will be reduced to one lane as Missouri Department of Transportation crews partially overlay the roadway.

The section of roadway is located from Route E to US 60.

Weather permitting, work will be performed Monday, April 2 through Tuesday, April 3 from 6 a.m. to 4:30 p.m. daily.

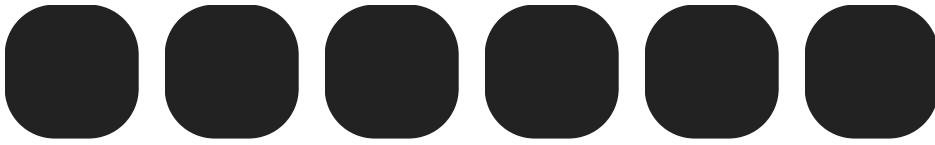

The work zone will be marked with signs. Motorists are urged to use extreme caution while traveling near the area.

For additional information, contact MoDOT's Customer Service Center toll-free at 1-888-ASK-MODOT (

Jason Johnson, owner of Air-Tech Heating and Air LLC, receives NATE Certification.

MARCH 27TH 2018 BY DEE LOFLIN

Jason Johnson, owner of Air-Tech Heating and Air LLC, receives NATE Certification.

Jason Johnson, owner of Air-Tech Heating and Air LLC, receives NATE Certification.

NATE stands for North American Technician Excellence and is an independent organization that certifies installation or service technicians with a knowledge-based test. Organizations that are part of the NATE coalition include the U.S. Environmental Protection Agency and American Society of Heating, Refrigeration and Air-Conditioning Engineers.

The NATE test is not easy, and not all technicians pass it the first time. The NATE certification verifies that the technicians who pass are the best in the trade when it comes to knowledge and experience installing or servicing your home heating or cooling system. NATE Certification is achieved through taking a series of tests that certify a professional in one or more specialty areas.

The tests, are divided into installation, service, and senior technician paths and offer specialties in Air Conditioning and Air Distribution to Oil Furnaces and Commercial Refrigeration. The knowledge-based exams are developed by industry experts and are the only tests supported by the HVAC/R industry. Specialties include heat pump, air conditioning, air distribution, oil heat and gas heat.

NATE-certified professionals are recognized by the industry—and more importantly consumers—as experts in the field. NATE Certification also ensures that consumers will receive proper installation and service of all HVAC/R equipment the first time—saving time, energy and money, and resulting in better bottom line results.

According to NATE, nearly 90% of consumers prefer a certified technician to service their HVAC/R needs.

From the Dexter Police Department

MARCH 20TH 2018 BY DEE LOFLIN

From the Dexter Police Department

From the Dexter Police Department - In order to clear up some rumors and misconceptions, we would like to take this opportunity to address the news of several burglaries that have occurred here in Dexter over the past two weeks.

So far, these burglaries have occurred at businesses that are located in close proximity to each other.

We have no reason to believe that homes are being targeted. As a reminder, these incidents are still under active investigation and we cannot release details that relate to these crimes.

We would ask that business owners keep in mind to ensure their doors are securely locked, especially doors located at the rear of their business.

Ensure that deadbolts and locking mechanisms are sufficient for the door size and are installed correctly.

Remove or limit the amounts of petty cash that is kept onsite.

If you have a video surveillance system, please check that it is in good working order, or perhaps consider upgrading your current system.

With advances in technology, there are systems with high resolution cameras that are affordable for even the smallest of storefronts.

Most citizens are asleep during the prime times for burglary (between 10pm - 5am), but if you are out and about during those hours, please report any suspicious activity you observe.
