Bloomfield Prop A on the Ballot for April 3rd Election

MARCH 29TH 2018 BY DEE LOFLIN

Bloomfield Prop A on the Ballot for April 3rd Election

Bloomfield, Missouri - Bloomfield Prop A is on the ballot for the April 3rd election. This is NOT A TAX INCREASE! It is a vote to continue the existing 26-cent tax already in

place.

The tax rate for Bloomfield is lower than many other school districts in the area. Dexter is at 62 cents, Advance is at 55 cents, Bernie is at 30 cents and Puxico is at 79 cents.

How does this bond work? A bond is similar to a home mortgage. Investors buy bonds in order to finance construction and the principal amount is paid back with interest.

Bloomfield hopes to 1. Expand the agriculture shop on campus; 2. Update the School gym and make handicap accessibility a reality; 3. A new bus garage will provide space for maintenance and keep transportation running smoothly.

How much money is needed to make these improvements? The bond is for \$1.35 million. The current 26 cent debt service levy tax will continue if passes meaning this will not be a new tax increase. Let's stress that point, this is not a NEW tax.

Once passed, the District will immediately begin the formal planning process, which includes selecting a construction company. The goal is to begin construction during summer 2019.

"Bloomfield residents always step up when it is needed," commented Brasley Conner, PTO President. "This is one of those times. We need you to VOTE YES on this no-tax increase ballot measure."

You are already paying this tax so let's continue the measure and update the schools.

Let's vote to continue the existing 26 cent tax already in place!

The bond issue is called Proposition A on the April 3rd Ballot. It reads: "Shall the Board of Education of the Bloomfield R-XIV School District, Missouri, without an estimated increase in the current debt service property tax levy, borrow money in the amount of One Million Three Hundred Fifty Thousand Dollars (\$1,350,000) for the purpose of providing funds to construct a new Americans with Disabilities Act (ADA) accessible entrance/lobby area to the high school gymnasium; to the extent funds are available, build a bus garage, construct additional agriculture classrooms and agriculture shop space, and complete other repairs and improvements to the existing facilities of the District: and issue bonds for the payment thereof? If this proposition is approved, the adjusted debt service levy of the School District Is estimated to remain unchanged at \$0.26 per one hundred dollars of assessed valuation of real and personal property.

Today is National Vietnam War Veterans Day

MARCH 29TH 2018 BY DEE LOFLIN

Today is National Vietnam War Veterans Day

NATIONAL VIETNAM WAR VETERANS DAY

My father was a Vietnam War Veteran. Many who returned from the war were not respected and it took a very long time for them to be honored. Honor them today by flying the greatest national on earth's flag and if you see a VETERAN today, let them know how much you appreciate them. Thank them for their service and sacrifice. All too often we forget, let's not forget today.

National Vietnam War Veterans Day on March 29 honors the men and women who served and sacrificed during the longest conflict in United States history.

It was on March 29, 1973, when combat and combat support units withdrew from South Vietnam. Generations later, Veterans of this time period are gaining the respect that was not so freely given upon their return. Involving five U.S. presidents, crossing nearly two decades and 500,000 U.S. military personnel, it left an indelible mark on the American psyche.

Returning Veterans did not always receive respectful welcomes upon their arrival on American soil. There were 58,000 killed, never to return. National Vietnam War Veterans Day recognizes the military service of these men and women who answered the call to service their country when she needed them. They didn't make the decisions to go to war.

On National Vietnam War Veterans Day, we recognize the service and duty rendered by all servicemen and women of this era.

Around the country, commemorative events, speeches and luncheons are being held inviting Vietnam Veterans as honored guests. Thank a Vietnam Veteran. Buy them a drink or lunch. Send them a shout out using #VietnamWarVeteransDay on social media.

U.S. Sens. Pat Toomey, R-Pa., and Joe Donnelly, D-Ind., introduced legislation in 2017 to honor Vietnam Veterans with a day on the anniversary of the withdrawal of military units from South Vietnam.

President Donald Trump signed the Vietnam War Veterans Day Act on March 28, 2017, calling for U.S. flags to be flown on March 29 for those who served.
