Dexter PD Releases Results of Click It or Ticket Enforcement

Dexter Police Releases Results of Click It or Ticket Enforcement Motorists Reminded to Buckle Up and Arrive Alive

Dexter, Missouri— Law enforcement agencies throughout Missouri participated in this statewide effort to get more motorists to buckle up — and save more lives. During the enforcement effort, officers issued a total of 7 traffic citations. Including

Despite evidence proving the benefits of wearing a seat belt, nearly one in five Missouri motorists are still not making it click. Even more concerning, six out of ten Missourians killed in traffic crashes are unbuckled.

“Seat belts are your single best defense in a crash,” stated Captain Trevor Pulley. “We will continue to encourage drivers to make a simple, smart choice to buckle up and Arrive Alive.”

For more information on Missouri’s seat belt use, visit www.saveMOlives.com. Buckle Up and Arrive Alive.

Pictured is Lieutenant Joshua T. Benton 914 of the Dexter Police Department.

MDC and MoDOT's annual Trash Bash starts April 15th

APRIL 16TH 2018 BY DEE LOFLIN

MDC and MoDOT's annual Trash Bash starts April 15th

Missouri's 16th annual No MOre Trash! Bash will focus on "spring cleaning" the outdoors by asking residents to pick up litter throughout the state April 15 - May 15. The litter prevention campaign is sponsored by the Missouri departments of conservation and transportation.

The annual Trash Bash encourages people to clean up litter across Missouri from roadsides, parks, neighborhoods, rivers, streams, trails and other places. Trash Bash activities also include educational efforts in schools, community events and Earth Day celebrations.

Each year, MoDOT spends about \$6.75 million to remove litter from more than 385,000 acres of roadsides along 34,000 state highway miles. Annual volunteer efforts to pick up litter along Missouri highways are valued at more than \$1 million.

Littering also hurts wildlife and Missouri outdoors.

"Many animals mistake litter for food and become sick and die when they try to ingest it," said Joe Jerek, the Missouri Department of Conservation's No MOre Trash! coordinator. "Birds, fish, turtles and other animals get tangled in litter, such as plastic six-pack holders and fishing line, and it can kill them."

Volunteers are needed across the state to participate in litter cleanup activities. Participants can report their cleanup efforts and will receive a thank you No MOre Trash! pin. For more information and to learn how to participate, visit www.nomoretrash.org/ or call 1-888-ASK-MODOT (1-888-275-6636).
