Bloomfield Schools Looking for Projects for Make a Difference Day

APRIL 17TH 2018 BY DEE LOFLIN

Bloomfield Schools Looking for Projects for Make a Difference Day

Bloomfield, Missouri - Our District is once again having a service learning day which we call Make A Difference Day. We will be doing service learning projects on May 18. I am reaching out to you for community projects where our students could serve.

Remember we have students ages 5-18 so we can do a wide range of projects from making cards to power washing buildings. In the past, our high school groups have painted the playground equipment at the park, refinished the benches and trash cans on main street, cleaned up the park, etc.

Our middle school students have picked up limbs, trash, etc. Our elementary kids are really capable also. They have done everything from visiting the nursing home to making dog treats and pulls for the humane society.

We, as a district, feel that it is important to teach our students to give without expecting anything in return. The art of serving is a life lesson we want instilled in each student. If you know of a project where our students could serve, please let me know.

Message from Bloomfield School District Regarding Today's Threat of Violence

MARCH 05TH 2018 BY DEE LOFLIN

Message from Bloomfield School District Regarding Today's Threat of Violence

March 5, 2018

The Bloomfield Police Department received a call Sunday evening at approximately 9:45 p.m. concerning a threat of violence towards Bloomfield R-14 School District. The police deputy on duty called me shortly after.

Two Bloomfield Middle School students were placed in juvenile custody as of very early Monday morning for making a terroristic threat and peace disturbance. This threat involved two juveniles so no further information will be released.

The Bloomfield Police Department received information of the threat. The Bloomfield R-14 School District would like to thank the Bloomfield Police Department, as well as the Stoddard county Sheriff's Department and the Stoddard County Juvenile Office for their swift response to this threat of violence. These three agencies performed an excellent job of responding and taking action in response to this threat of violence.

Parents - Please relay to your children and young adults that threats of violence will be taken seriously and handled in the swiftest and most punitive manner possible. An excuse of "just kidding around" or "just joking" is unacceptable considering recent occurrences of school violence. We take the safety and security of our students very seriously and will not tolerate these threats of violence.

Bloomfield R-14 School District makes fostering a safe and secure learning environment a priority for our students, staff, and community. We appreciate the efforts of the Bloomfield Police Department, Stoddard County Sheriff's Department, and the Stoddard County Juvenile Office during this process.

Please feel free to contact my office with any questions or concerns.

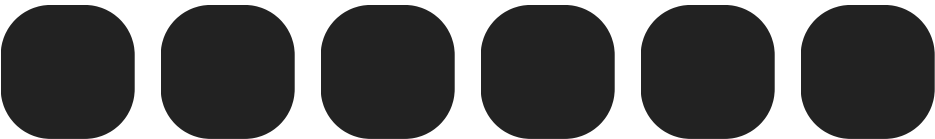

Sincerely,

Toni Hill, Superintendent
