## Potential Internet and Cable Company SCAM in the Stoddard County Area

**BEWARE!** Reports have been coming in from all over Stoddard County, Missouri and the Piggott, Arkansas area that employees from a company named Clear Home may be posing as NewWave Communications employees asking to come into YOUR home and inspect YOUR equipment. They then try to sell you Internet and Cable packages for their company.

These are NOT NewWave employees. If you have questions regarding NewWave Communications please call 888-863-9928. If you feel someone is trying to SCAM you please contact your local police department immediately!

Please be diligent when sales people come to your door. If you know of a an older person or someone that does not stay informed via social media, take time to give them a call and let them know these people are targeting our area going door to door.
